Perler Palooza	EC, PP, 1st, 2nd	Thursday 3:30 - 4:30	Room 218	\$425	Do your kids love Minecraft, unicorns, Amongus or emojis? Do your kids love to be creative, working with their hands and having fun with their friends? If so, then Perler also known as melty beads is just the club for them. In Perler Palooza kids will have the opportunity to create fun works of art using small colorful beads that are melted together to make whatever their heart desires. In Perler Palooza students will have the opportunity to create things such as their favorite characters, bracelets, bookmarks, key chains, magnets, 3D objects, and bowls. Students will also have a wide variety to choose from such as unicorns and dragons, animals, Mario, Minecraft, dinosaurs, princesses, emojis, and food. When it comes to Perler the possibilities are endless. The class is made to work with students of all levels. Whether you have never worked with Perler beads or use them everyday there will always be something fun and exciting to learn. The class will also work on things such as hand strength, eye hand coordination, focus, and attention to detail. Snack will be offered every class. Students must be at least 5 years old. Glitter, Grace & Grit Girls Club - Tuesday Class	3rd, 4th	Tuesday 3:30 - 4:30	Room 231	\$425	Our time will be spent learning through art and conversation, how to shine with confidence through our posture, presentation and poise as young ladies. Lessons in hygiene and self care will be taught. We will learn strategies of how to give oneself and others grace in difficult situations. Grit will be developed as we work on a long term craft project that will require determination and grit to finish over the weeks we are together. My hope is that the girls will discover their sense of value and find that within each of them lies a uniqueness that only she holds. How to rise up in situations she finds challenging and along the way discover the value in things she thought were mistakes in order to be better and shine brighter tomorrow. Chess Club	3rd, 4th, 5th	Thursday 3:30 - 4:30	Room 233	\$375	Chess Club is designed to give students the opportunity to explore, learn, and play the game of chess. Chess is a fun game; it is also the quintessential strategy game. Over time, chess players develop greater concentration, planning, and balanced risk-taking. Memory, problem-solving, and creative thinking are utilized throughout the game, and opportunities for socialization, collaboration, and peer mentorship are plentiful. Students will learn chess etiquette, work on skill development, and engage in respectful sportsmanship.	CHESS CLUB	Angelo Piersanti	apiersanti@shelton.org
Clay Creations	3rd, 4th, 5th	Tuesday 3:30 - 4:30	Room 111 & 114	\$425	Does your child love creating art with clay?? If so, Clay Creations is the activity for them! During this after school activity, children will receive an in-depth ceramics education while having fun. We will have a blast learning about the essential clay techniques, kiln, and various glazes. Students always wish we could spend more time on our clay unit in art class—now is their chance! We will also be spending time in Shelton's gorgeous ceramics studio - what a treat! A snack will be provided.	CLAY CREATIONS	Gretchen Goldstucker	ggoldstucker@shelton.org
