

Klein Vistas Early College High School provides students, identified as needing additional support for completing higher education, an opportunity to gain access to a program that will enable them to graduate high school and become career ready by exiting high school with either an associates degree or career certification.

## CRITERIA

### STUDENTS WHO:

- Are looking for additional support for college success
- Incoming freshman from a KISD campus
- Interested in obtaining higher education while in high school

---

## STUDENT EXPECTATIONS

- Follow the District Student Code of Conduct as well as rules specific to the program
- Attend school on-campus
- Maintain passing grades
- Commit to maintaining an attendance rate of 90% or higher
- Work with mentors
- Attend mandatory tutorials for TSI and EOC assessments

---

## PROGRAM FEATURES

- Dual Credit courses through LoneStar College System
- Small class sizes and lower student to teacher ratios on campus
- Community mentorships
- Ability to achieve an associate's degree or certification while achieving high school credit

---

## VISTAS EARLY COLLEGE HIGH SCHOOL TEAM

- **Classroom Teacher** – teaches high school credit classes at Vistas campus
- **Dual Credit Teacher** – teaches high school and/or college level courses at Vistas campus
- **College Professor** - teaches college level courses either on Vistas campus, online or at LoneStar
- **Mentor** – provides students with direction, support and encouragement
- **College Advisor** - assists students in navigating the college application process, understanding the financial aid process, and transitioning from high school to college, certification program, technical school or the military.
