Senior families, please consider attending the financial aid workshop on January 17th or January 31st from 5-7 in room D101 to get assistance with FAFSA and CADAA applications. The ASVAB Test is scheduled for February 1st at 9:00am. Students can sign up in the College and Career Center. Also, please make sure to visit the College and Career Center webpage to check out the many scholarships available to THS seniors! Encourage your students to visit Ms. Price in the Career Center in room A104 to learn of all the opportunities available to them including community service block T's, internship and community service opportunities, leadership/summer programs, and on and off campus events.
