

LEAD Innovation Studio 9th Grade Enrollment Form 2024-2025

Please complete both sides of this form with your student and return it to your student's current middle school, understanding the following:

- ***LEAD is not a traditional high school. It is based on three pillars: project-based learning, mentorship, and self-directed learning. For more information on LEAD, scan the QR code or reach out to our principal, Dr. Chris Early, at earlyc@parkhill.k12.mo.us or 816-359-6569.***

- ***LEAD is a one-year commitment. Students are not allowed to transfer to their home high school mid-year.***
- ***Selecting LEAD does not automatically guarantee admission. Admission will be granted based on space availability. In the event of a high number of requests for LEAD, we may have to look at a variety of factors, including the order in which enrollment forms are submitted. We will let you know your child's status after the enrollment window closes on February 9th.***
