## DROPPING AN ACADEMIC CLASS

Dropping an academic class is generally not advised.

Please be aware that UC/CSU schools and other selective colleges require that students maintain a rigorous and challenging academic schedule every semester. A **MINIMUM** of four academic classes each semester, including senior year, is highly advised. For more competitive schools, these classes should be AP and/or Honors level classes.

In order to apply directly to a UC, CSU, or private 4-year college, students must earn a "C" or higher in all of the A-G requirements (listed below). If the student is dropping a class that would prevent him or her from meeting A-G requirements, the following box will be checked:

Student's postsecondary plan is: (please circle)

1. Applying directly to a 4-year college
2. Attending community college
3. Workforce
4. Armed forces
5. Trade school
6. Other: \_\_\_\_\_

A-G Requirements		
	Subject	Years
A	History/Social Science	2
B	English	4
C	Mathematics	3*
D	Lab Science	2*
E	Foreign Language	2*
F	Visual Performing Art	1
G	College Prep Elective	1

\*More years recommended

Even if the student is not planning on applying directly to a 4-year college, it is still advised that he or she meet A-G requirements to increase college readiness and learn vital skills and work habits.
