**Friday 19th January 2024**

## A Note from Mrs Allan

It has been wonderful to see so many visitors in school this week. We had the Dogs' Trust, leading assemblies and workshops all about how to be safe around dogs and how to treat dogs.

We also had Changemakers in, leading workshops on healthy eating, as some children identified that they wanted support with this.

This week we have welcomed Mrs Chana to our team, who is working as a TA in Year 3 and Year 4.

Wishing you a lovely weekend!

## Attendance

Nursery had the best attendance last week with 97.6%. The afternoon Nursery session was 100%, so congratulations on perfect attendance!

## Age Restrictions

We have noticed children have been talking about and watching films or TV series that are not appropriate for their age range. Regardless of whether an adult gives permission, children should not be watching content that is not suitable for their age range. Children should also not have access to social media applications. There is a lot of extremely harmful content that can be hidden in innocent looking videos. Below are some useful websites with articles about whether your child is ready for social media and how to introduce them to it safely.

Children will pick up language and actions from things they watch which they imitate to their peers. If they are watching unsuitable shows or films, the language and actions shown is often offensive and inappropriate.
