What is the Dual Degree Program?

The Dual Degree program is an early college program designed to allow students an opportunity to earn a two year college Associate degree prior to graduating from high school.

How do course credits align between D200 and MCC?

District 200

- The student will earn a minimum of 222 credits to graduate with their high school diploma.

MCC

- The student will earn 60 credits at MCC and graduate with their 2-year Associate of Arts Degree at the end of Grade 12.

How my courses transfer from high school to MCC to a four-year university?

The program is designed for students who plan on pursuing a bachelor's degree and are looking to satisfy the general education requirements at many colleges/universities.

Who is eligible to participate in this program?

DISTRICT 200 & MCC

DUAL DEGREE PROGRAM

Who is it for? Current Freshmen

- Any 9th grade student who has displayed a commitment to their academics.
- Any student looking to attend a four-year college or university.
- Any student willing to work hard and challenge themselves with classes in the summer and at MCC.
- Any student planning to get a head start on their college course work.

Will students be able to take music, world language, and elective courses?

- Students can take up to 7 periods every day plus a 0 period class.
- Students will be able to take music, world language, and elective courses, however this will vary based on each student's interests and when the classes run.
- Our goal is always to provide students the ability to take every class they would like, but in some cases this is not always possible. If accepted into this program your student might have to make difficult choices on what classes they can take.

When will students take courses at MCC?

- During the summer between 9th/10th, 10th/11th, and 11th/12th grade.
- During your senior year you may need to take two courses each semester out at MCC.
- Students also have the option to request additional coursework from MCC depending on their future goals.
 - These courses may be taken asynchronously, in the summer or at night.
 - Additional coursework must be pre-approved by the school counselor, parent, and district administration.
