

Ferguson-Florissant School District

September 2023

Mission Statement:

Through implementation of continuous improvement practices Special School District in partnership with Ferguson-Florissant School District will provide specialized programming, supports and services designed for all student's successful contribution to our community.

Let's Talk!

Let's Talk is an open invitation from Special School District (SSD) to tell us what's on your mind. Let's Talk is an easy way to submit feedback at your convenience directly to the SSD staff member who can help.

BACK TO SCHOOL FESTIVAL

Greetings Ferguson-Florissant Families,
It's that time of year! Make plans to join us for the FFSD Back-to-School Festival with a Gun Safety & Mental Health Awareness March and the Fair at STEAM Academy at McCluer South-Berkeley High

School. We are excited to bring a new twist to an old tradition. Don't miss this opportunity to get a head start on the new school year!

Please note the date has been changed to Saturday, August 19.

Ferguson-Florissant School District

Gun Safety and Mental Health Awareness March and Back-to-School Fair

Saturday, August 19

Gun Safety & Mental Health Awareness March will begin at 9:30-10 a.m.

Location: Starts at [501 S. Florissant Rd. 63135](#). The march will conclude at the Back-to-School Fair

Back-to-School Fair

10 a.m. - 1 p.m.

Location: STEAM Academy at McCluer South-Berkeley High School [201 Brotherton Lane 63135](#)

- Over 30 different community partners + our very own schools sharing information to help families get ready for success in the upcoming school year.
- There will be games, fun activities, food, music, prizes, inflatables and more.
- Free backpacks and school supplies will be provided on a first-come-first-serve basis for FFSD students while supplies last.

Welcome Back Ferguson-Florissant families!

As summer winds down, I hope you and your families are getting excited for a wonderful school year! We are excited to see all of your faces and begin the journey of exploring new learning.

The start of the new school year can be challenging and stressful. Here are a few routines to start at the beginning of August in order to slowly transition your students back to the school schedule and routines.

- 1. Start the sleep schedule and screen time shift**
- 2. Start practicing the morning routine**
- 3. Organize the homework space and gather up school supplies**
- 4. Discuss goals for the new school year**
- 5. Attend the schools open house**

Here's a link to a site with further resources for transitioning back to school.

<https://www.familyeducation.com/school-learning/back-school>

Our teachers return on August 8, 2023, and will spend the week attending various professional development opportunities in preparation for the new school year. Additionally, special education case managers will be connecting with families of students they case manage via email, phone, or a letter home. If you have any questions about the upcoming school year, please don't hesitate to reach out to me or your child's school Special Education

Coordinator. The coordinator's information is listed below in the newsletter.

Director & SPED Coordinators!

Another discounted Internet service

Affordable Internet Service for Families

The Affordable Connectivity Program is a [Federal Communications Commission program](#) that helps connect families and households struggling to afford internet service. This new benefit provides a discount of up to \$30 per month toward broadband service for eligible households and up to \$75 per month for households on qualifying Tribal lands. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers. Eligible households can enroll through a [participating broadband provider](#) or directly with the Universal Service Administrative Company (USAC) using an [online](#) or mail in application. You can learn more about the benefit, including eligibility and enrollment information, by visiting www.fcc.gov/ACP, or by calling 877-384-2575.
