Attendance Matters - Focus "Tardiness"

Tardy Sweeps and Tardy Reduction Incentives

Why: Data suggests that we have a significant number of students who are not making it to class when the bell rings and we want to

increase students' opportunities for success. A vast majority of these students are only missing 5-7 minutes of class when they are tardy. However, that time added over several block periods in a week can lead to a substantial loss of instructional time.

In an effort to provide structure for additional support and enhance the learning opportunities as well as safety in our building, moving forward we will be implementing periodic "tardy sweeps". We

are also offering some incentives for students who consistently get to class on time to continue to do so.

How: We will randomly conduct tardy sweeps. Once the sweep is announced, students in the hallway will be escorted to the cafeteria. At that point, they will complete a brief Google form, and then be sent to class (depending on how many tardies they have accumulated). Guardians will receive email notification when your student has been a part of a tardy sweep. Consequences will remain in alignment with our current tardy policy:

- 10 Tardies - 1 hour detention and parent contact
- 20 Tardies - 2 hour detention and parent contact
- 30 Tardies - Assigns 1 day of ISS and parent contact
- 40 Tardies - Assigns 1 day of ISS and parent conference
- 50+ Tardies - Assigns 2 day of ISS and passing privileges removed

When: Random throughout second semester.

Tardy reduction initiatives: In addition to implementing the tardy sweep policy, we also want to offer a positive reinforcement incentive to those students that consistently get to class on time. Students who finish the 3rd quarter with 10 or less tardies will have their name entered for a prize. Students with 5 or less tardies will have their name entered three times, and students with 0 tardies will have their name entered five times. We will announce the prize opportunities as we get closer to the end of the third quarter.

West Reads

SM West is so very excited to share with our community our West Reads selections. Each week a different student that might represent one of our clubs/organizations/teams here at West is asked to choose a children's book to read aloud and be recorded. The recording is shared with our elementary feeder schools. This is such a great way to showcase some of the amazing leaders we have in our community and I know the elementary students love seeing the high schoolers sharing literature with them.

Hope you all are well. This week we are highlighting SMW Link Crew! Caroline Urio reads "Horton Hatches the Egg" by Dr. Suess. [Here is the video!](#)

Join the Strategic Planning Process in January 2024

Shawnee Mission School District will begin updating its Strategic Plan in early 2024 and the entire community is invited to engage in the process. This plan will serve and guide Shawnee Mission for 2024-2029.

[Click here to see a video.](#)

The success of this plan depends on broad community input, as well as individuals willing to serve on committees and action teams. Here are ways community members, family members, educators, staff, and students can prepare to engage in the process:

- Provide your input in a ThoughtExchange. ThoughtExchange provides you with a chance to respond to an open-ended question, consider and assign stars to ideas shared by others, and learn

what is important to those contributing input. The ThoughtExchange opportunity will be provided in January.

- Watch for Strategic Plan information and updates on www.smsd.org.

Shawnee Mission's Strategic Plan work reflects an ongoing commitment by our community to support student success. The plan serves as a road map, giving clarity to our destination and the pathway to get there.

"I thank everyone for thinking about how they might contribute to our next Strategic Plan update, and for their ongoing commitment to our schools," Superintendent Dr. Michelle Hubbard expressed.

[Click here for more information on the Strategic Plan update process.](#)

Contribuir a la Actualización del Plan Estratégico de SMSD en Enero de 2024 Estimadas Familias del Distrito Escolar de Shawnee Mission

El Distrito Escolar de Shawnee Mission comenzará a actualizar su Plan Estratégico a principios de 2024 y se invita a toda la comunidad a participar en el proceso. Los aportes de los familiares de los estudiantes de Shawnee Mission jugaron un papel muy importante cuando se desarrolló el primer Plan Estratégico del distrito. Esperamos que participe en el proceso cuando comience el próximo mes. Este plan servirá a Shawnee Mission para 2024-2029 y juega un papel importante en el apoyo al éxito de los estudiantes de Shawnee Mission.

[Haga clic aquí para ver un video.](#)

Estas son algunas formas en las que se le invita a participar en el proceso:

- Proporcione su opinión en ThoughtExchange. ThoughtExchange le brinda la oportunidad de responder a una pregunta abierta, considerar y asignar estrellas a las ideas compartidas por otros y aprender lo que es importante para aquellos que contribuyen con aportes. La oportunidad de ThoughtExchange se brindará en Enero.
- Esté atento a la información y actualizaciones del Plan Estratégico sobre www.smsd.org.

El trabajo del Plan Estratégico de Shawnee Mission refleja un compromiso continuo de nuestra comunidad para apoyar el éxito de los estudiantes. El plan sirve como un mapa de ruta, dando claridad a nuestro destino y el camino para llegar allí.

Please order before Oct. 18, 2023.

All cap/gown units will be delivered to SM West in May and will be distributed to students at the graduation rehearsal the week before graduation.

Parking Permits

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance. Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below. Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

Please refer to parking guidelines and fee structure for parking enforcement.

From our SM West Nurse

Hello,

I wanted to share a "refresher" on Covid Guidelines for everyone as we head into this fall. These are also guidelines that apply to Influenza A & B.

- Day 0: the 1st day of symptoms or test positive day
- Counting from Day 0—a person is then out of school for 5 days.
- Day 6—may return to school if no ongoing symptoms and no fever in the previous 24 hours.
- Day 6-10—highly recommended and encouraged to mask.
- Students do not need to stay home for exposure to Covid—only if

they have symptoms or test positive.

For more information you can refer to the following link:

MacBook/IT - Important

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link => <https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of these will result in the confiscation of the MacBook and you may MacBook access for the semester/school year for consistent violations.
8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).
 1. 1st Incident/Damaged Device fee: \$100.00
 2. 2nd Incident/Damaged Device fee: \$150.00
 3. 3rd and Subsequent Incident/Damage Device fee: Actual cost of repair/replacement or \$300.00 whichever is greater.
 4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
 5. Apple MacBook Air M1 Charger Replacement - \$39
 6. Apple MacBook Air M1 Adapter Set Replacement - \$58

7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95

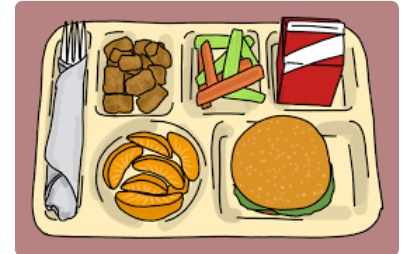

9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can submit a Web Help Desk Ticket (<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

Below you will find some helpful images to assist with Skyward and Canvas.

Message from Food Service

Students are able to purchase breakfast and lunch prepared by our food service staff. Students may also bring sack lunches from home.

SM West does not allow for Door Dash deliveries or for fast food to be delivered to students during the school day.

ONLY SENIORS are allowed to leave campus for lunch - WITH Parent Permission. More information about this privilege will be communicated to seniors soon, but will not begin until potentially after Labor Day.

2023-24 - Child Nutrition Program Meal Benefit Application

Families are encouraged to complete an application for meal benefits – free or reduced priced meals – as part of the Online Verification. The link to the Child Nutrition Program Meal Benefit Application is available on Skyward or the online application is on [School Cafe](#). Families do need to create a School Cafe account if they do not already have one - more information may be located on the [SMSD Food Service Free and Reduced](#) web page. Contact the Food Service office by calling 913-993-9710 for questions on the meal benefit application.

Potential Benefits of Filling out the Application

Families, whose meal benefit application is approved for meal benefits, can receive a breakfast and lunch at the free or reduced price – depending on their qualifying benefit.

Families who complete an application and qualify also generate additional state funds for our schools.

Families who qualify for child nutrition meal benefits, may receive additional benefits such as free/reduced instructional resource fees, transportation fees, and Pre-k enrollment.

Consent for Disclosure and Eligibility

Families are encouraged to complete a Consent for Disclosure form in [Skyward](#) which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

Families who are receiving certain types of state assistance, a meal benefit application may not be necessary. If a family is directly certified for meal benefits due to state assistance, Food Service will email a notification of eligibility. If you receive state assistance and have not received a notification of eligibility, call the [SMSD Food Service office](#) before completing a meal program application.

Families who are directly certified are encouraged to complete a Consent for Disclosure form in Skyward which gives SMSD Food Service permission to share a child's eligibility status

information with the programs families designate on the consent form.

Thank you.

- Bus routes and stop locations will be determined based on those who register for busing. A minimum number of registrations (50 paid) is required in order to offer a route.
- **Annual transportation registration is required for students to receive bus service.**

For more information on Shawnee Mission School District transportation, please visit <https://www.smsd.org/families/transportation> or call DS Bus Lines at 913-384-1190.

In the event there are times throughout the year when routes are running late and notification is needed at the school and family level, we want to encourage you to sign up for Textcaster notifications. We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link: <https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
