You will see both things that are...
 ...comp. visit the city mountains on the left
 ...to town on the island to get mountains

Place a little big map here what about the biggest
 of the parts but low can go to the harbor to get
 big Cruz ships carries the jets to there 2 things
 and you can go across mountains. can check that

My island is big. It has a
 big volcano, a lake, a forest,
 a forest, a lake, a volcano,
 a volcano. The people of the cities,
 village and town are very nice
 and welcoming. You can really enjoy
 the sight of the oasis.

People want to visit my island
 because the weather is nice, the river
 and the city to fly and to go
 in the forest and also to go in
 the forest and to see the life
 and to take a picnic
 of food and water and bare
