The School wide Getting Along Together Challenge: This week our school-wide cooperative challenge is to **Demonstrate a waiting strategy**. This week our school-wide cooperative challenge is demonstrate a waiting strategy. During the school day, there are many times when you are expected to wait. For example, if you know the answer to a question, don't blurt it out! Instead, use self-talk to remind yourself to keep your lips zipped until the teacher calls on you. Tell your brain to be the boss of your body!

Staff Spotlight – Karmekia Davis – Ms. Davis will be joining Glazer as a member of the Americorps MEC team. She will be supporting students by tutoring students in K-3 grade. The students she will work with and the times will be forth coming!

CHANGE TO PBIS -Students who are chronically absent will not be able attend future PBIS parties. They may also be excluded from other Activities. If the improve in their attendance this will be reconsidered!

Staff Spotlight – Rayven Anderson – She is our new Attendance Officer! She is here to support all things attendance! She will work to reduce our chronic absenteeism, ensure attendance is taken and accurate, make attendance phone calls, complete home visits, complete solutions referrals, and devise incentives to improve Glazer's attendance!
