Purpose	The Board recognizes that compulsory attendance laws impose on the Board the custodianship of the public school children of the district while they are present in the schools.	2 3 4 5
Authority	Except in unusual circumstances law enforcement officers may not remove a student from a school building for questioning while the student is properly in attendance, without permission of the student’s parent, or guardian, unless the student is 18 years of age or older. However, the situation is different where an enforcement officer has a warrant for the student’s arrest or an order signed by the court having jurisdiction.
