

# Lost Medicaid or CHIP?

## Here are 3 things to do next:

1. If your coverage ended recently because you didn't send in your renewal form, complete and send it back right away. You may be able to restart your coverage without a new application.
2. If you aren't sure if you lost Medicaid or CHIP, or believe you're still eligible, contact your **state** to confirm.
3. Explore low cost, quality health coverage options through the **Health Insurance Marketplace**®.
