

2024-2025 Course Selection

HIGH SCHOOL COURSE SELECTION INFORMATION

To help you and your child make the best academic and extracurricular choices for the 2024-2025 school year, CCISD campuses will host informational meetings and course selection fairs in February. Additional course registration information is posted on the CCISD website at ccisd.net/courseselection.

During the **Incoming 9th Grade Parent Night**, high school counselors and administrators will walk current 8th grade families through what to expect in high school, the course selection process, and to assist in developing a student's four-year plan. Following the Parent Night Presentation, each campus will hold a Course Fair. This Course selection fair is designed for current students in grades 8-11 and their parents to learn about the array of CCISD course offerings, Career and Technical Education programs, and more!
