Correction Notice: Clarification on Green New Deal Initiative by Net Zero Club

Correction Notice: In yesterday's email, we highlighted the incredible efforts of Net Zero and mentioned Emma Weber's significant role in achieving a groundbreaking Green New Deal for Schools resolution. We would like to clarify that this initiative was a collaborative effort. Back in February 2023, Molly Weber, Emma Weber, and Rylan Neumann initiated the project, and during this school year, Sophia Zhang, Caterina Camporeale, Tilly Testa, and Maya Chastanq assumed

leadership roles. The Net Zero club served as the platform for this endeavor, with essential contributions from numerous club members. We appreciate the collective dedication and want to acknowledge the entire team for their outstanding work. Thank you for your understanding.

Correction: Fairview Football's Ryder Villareal Earns All-State Honorable Mention in Fall Athletic Achievements

Correction Notice: In our recent communication about Fairview High School's fall athletic achievements, we would like to acknowledge an additional outstanding accomplishment. Ryder Villareal from Fairview's football team was also recognized as an All-State Honorable Mention. We apologize for any oversight and congratulate Ryder on this well-deserved recognition.

HEADLINES AND EVENTS

Solar Panels for Ukraine

Fairview Institute is hosting the next Solar Panels for Ukraine Event at **Fairview High School on January 20th @ 10AM**. We've sent over a hundred panels to Ukraine over the last year! Please join us in Zoom calling with Ukrainians all around Ukraine to discuss the needs and challenges facing a country being invaded. We'll follow up by converting solar panels to portable charging stations and adding messages of support. Your support goes a long way in letting these people know that the world has not forgotten them and that what Russia is trying to do is unacceptable. Fairview Knights Athletic Boosters: Fan & Spirit Wear

The Athletic Boosters need your help! We are looking for a BOOKKEEPER for our group. We are happy to have a parent volunteer to fill this role but are also willing to hire someone and compensate them for their time. We have pretty simple books, so even a bookkeeper that is just starting out could be a great fit!

We also need VOLUNTEERS! Our store on the bricks is open Thursdays, 11:15-1pm, but we need more parent volunteers to get the store open. It is a great opportunity to be involved in the school. No regular commitment needed. After a training shift at the store you will be able to sign up for shifts on Help At Schools whenever your personal schedule allows.

Reach out to fhsboosterclub1515@gmail.com if you are interested in either the bookkeeper role or becoming a volunteer at the store!

When to Keep Your Student Home

The flu season (and other nasty viruses) is upon us. Here is a quick refresher for when to keep your student home. Remember, the Colorado Department of Health is still recommending for confirmed Covid cases the student remain home for 5 days of isolation and then wear a mask for 5 days after returning to school.

BVSD is not enforcing this or following up on any reports of cases, this is just best practice. For any other illness, the policy is the same as it has always been. [Click here](#) for information on when to keep your student home.
