SUBJECT Burnside Fuel Tank RFP

DATE 1-8-24

An RFP for Burnside's fuel tanks was released on December 1, 2023 . We had one response to the RFP from PETRO TOWERY and therefore recommend awarding to them, as the only responder to the RFP.

The awarded vendor will be required to work closely with the Board from this point moving forward to ensure all specifications are met and that the scope of work is followed and completed.
