

CARDINAL NEWMAN SCHOOL

2022-2023 ANNUAL REPORT

JULY 1, 2022-JUNE 30, 2023

MISSION STATEMENT

Cardinal Newman School is a Catholic middle and high school whose mission is to provide an academically rigorous Christian education to young men and women from diverse socio-economic and cultural backgrounds. We challenge our students to embrace truth, pursue academic excellence, act with integrity, lead courageously, work for justice, and engage in generous service. We are a community where every student is known, the dignity of all is appreciated, and apparent and potential gifts are developed in mind, body and spirit.

Dear Cardinal Newman Family and Friends,

We are so blessed at Cardinal Newman School! It is always a deeply humbling but extraordinarily gratifying experience to be trusted to educate and care for someone's child, and we are entrusted with 560 children here at CNS. Every single day, I witness teachers who work tirelessly to meet our students' needs, to set high standards while also providing impactful support to help our students meet those standards. They do all of this while also doing their best to model exemplary Christian behavior, as they are aware that their actions will always speak louder to teenagers than their words. Being human, our faculty and staff have their challenges; but more importantly, they have a deep and abiding commitment to their ministry of teaching in a Catholic school. Our faculty and staff impress me every single day.

I often tell friends and family that you cannot work at a high school and not spend a significant portion of your day laughing and being inspired by the unique insights and humorous activities that only working with teenagers can provide! As teachers and administrators, we get to see a different side of our students and we get to watch them grow, explore and truly extend themselves to become the best that they can be and the person that God intends them to be. We are fortunate to witness their journeys and to be invited into their family life in times of celebration and times of heartache. It is a privilege that I never take for granted and I know I speak for my colleagues as well.

And indeed, we are so blessed to have the interest, financial support and commitment of so many alumni, current parents, parents of past students and donors within the broader Columbia community. There was a time when Catholic schools mirrored the communities in which they existed, often led by a religious order of nuns or priests who set the standard for how a community came together instinctively and worked for a common good such as maintaining vibrant, highly effective Catholic schools.

Those days of that type of community have passed, especially with the aging of so many of our religious orders, but we still can and have achieved a new model of community that values Catholic education and is willing to give sacrificially to make Catholic education available to all who seek it in the Columbia community. Working together is the only way that we can afford to offer the experiences that are so treasured at Cardinal Newman School and we so appreciate your generosity. Your gifts not only help us to educate the next generation of young adults, but it allows us to do so in an environment that helps students to fully form their moral compass while exploring and solidifying their relationship with God.

This vitally important work could not be accomplished without your help and generosity. Please know that your support is greatly appreciated and does not go unnoticed. I wish you many blessings as we enter the new year and pray that 2024 will bring you good health, loving memories and happiness.

Take special care,

Kelly Burke
Principal

Dear Cardinal Newman Family and Friends,

Thank you for your continued support of Cardinal Newman School. We truly rely on the many gifts from our community to help provide the best possible education for each child. The Newman Fund is an essential component of this support.

The Newman Fund provides unrestricted funds to support the most important and pressing needs of the school each year. It helps to balance the budget and allows Cardinal Newman to meet short term, annual goals. A total of 76% of our expenditures go to the core mission of student advancement and formation, and the balance is met through fundraising efforts.

Your gifts to the Newman Fund for the 2022–2023 school year totaled \$122,000 with gifts from 353 donors. In addition to Newman Fund donations, we were also able to offer students \$33,400 in scholarships from endowments and funded scholarships.

This report highlights the gifts made to the Newman Fund, scholarships, performing arts and athletics. Your gifts have made a difference and have helped to change the lives of each student at Cardinal Newman School.

Please accept our deepest gratitude for your continued support.

God bless,

Amy Yoho

Director of Advancement

Dear Cardinal Newman Community,

I would like to extend my sincere gratitude for your continued support of Cardinal Newman School. Your firm annual commitment to the mission of the school continues to play a pivotal role in our growth and ability to provide essential resources for our students. Through your support, our students are empowered to reach their fullest potential while nurturing all their God-given gifts.

Over the past eight years I have been overwhelmed by the generosity of so many in our community. It has personally been an honor to serve this amazing school and watch the arts programs at Cardinal Newman flourish. In the year 2023 alone, your support has enabled us to fund a Steinway piano (arriving soon), a new Allen organ for our chapel, a marching band trailer, and concert tubular chimes totaling over \$85,000 in gifts. All of these instruments will support future generations of musicians at Cardinal Newman.

The opportunity to educate students through music would not be possible without your generosity. Thank you to all who have supported and continue to support the arts at Cardinal Newman! Your gifts make it possible for the students at Cardinal Newman to experience the power and joy of music—truly a gift from God—as an integral part of their Catholic education!

Sincerely,
David J. Cochrane

Dear Cardinal Newman Family and Friends,

Thank you for your support of Cardinal Newman athletics! Through the years, we have relied on your many gifts, monetary and otherwise, to build a thriving athletic program that enriches the lives of our student athletes and our entire Cardinal Newman school community.

The chief fundraising vehicle for our athletics program is our Cardinal Club, and your gifts to the Cardinal Club are an essential component of our athletic program. You have seen the impact of your support on our athletic program, both on and off the field. On the field, our student athletes have had tremendous success—State Champions: volleyball, men’s soccer and sporting clays skeet team. The 2023 Cardinal Football Team finished the season at 9-3 with a SCISA State semi-final appearance. Off the field, our student athletes serve as ambassadors for our school in service to their fellow students and the community at large.

Thank you again for sharing the gifts of your time, talent and treasure for the benefit of our student athletes. It is through your continued generosity and support that we will continue to improve our student athletes’ experience. No gift is too small or too large, and you can be assured that we will be stewards of your generosity.

Thank you, and GO CARDINALS!

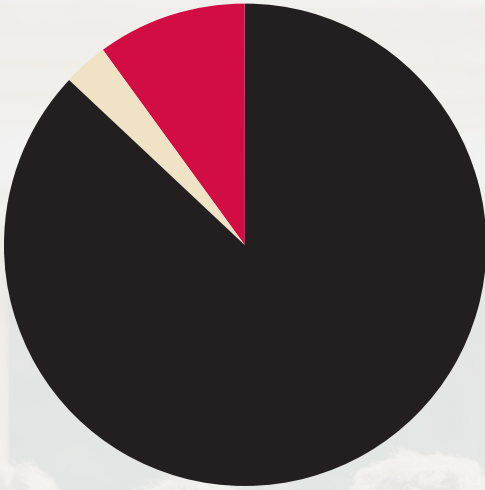

Will Eudy

Athletic Director, Head Coach - Men’s Soccer
