Lincoln Elementary School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. - For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. - For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. - For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our textbooks are from the most recent State-approved list and consistent with the content and cycles of the Curriculum Frameworks. Each student has access to his or her own textbooks and instructional materials to use in class and to take home. In our most recent adoption, each grade level was provided with the opportunity to examine the choices for math and ELA adoption. Each teacher gave a first, second, and third choice. The results were compiled into a grade level recommendation. The District Best Practices Committee analyzed those recommendations and a recommendation was given to the Superintendent and School Board. The teacher's first recommendation was adopted.

School Facility Conditions and Planned Improvements

Lincoln Elementary School was originally constructed in 1952 and has been regularly maintained. The Lincoln Elementary School campus is currently comprised of 31 classrooms, a multipurpose room/cafeteria, a library, one computer lab, one staff lounge, and a playground. There are three custodians that work overlapping shifts, a grounds team, and a support maintenance staff. The teachers, principal, and classified staff provide supervision before, during, and after school.

Cleaning Process: The principal works daily with the custodial staff of three to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

School Facility Conditions and Planned Improvements

Facility Improvements: New LED lights for the outdoor corridors and inside the buildings were added. Fencing was added around the entire school. A new telephone system was added. The library was remodeled in the last few years. Recently a new HVAC system was installed for the classrooms connected to that system.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	53	58	36	38	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

KCAPS provides students from families in need with backpacks, coats, clothes, and food.

Parents who wish to participate in Lincoln Elementary School's leadership teams (SSC or ELAC), school committees, school activities (parade-float decoration), or become a volunteer may contact Principal Lauren Galli at (559) 897-5141.

2023-24 School Safety Plan

Lincoln Elementary School provides a safe and clean environment for students, staff, and volunteers. Safety of students and staff is a primary concern of Lincoln Elementary School. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. At the beginning of the year, the District Safety Committee meets to review safety issues. Key elements of the safety plan include: identifying the level of threat, protective options, staff initial action/response, incident coordinator, and incident management team.

In order to stay connected, the administrative staff all have cell phones and digital two-way radios for emergencies. There are many digital two-way radios on Lincoln's campus for staff to communicate with during emergency situations. Fire drills are held monthly and earthquake and lockdown drills are held periodically too.

Teachers, paraprofessionals, and the principal supervise students throughout the day. There is a designated area for student drop-off and pickup. The school is gated, with open access during non-school hours only. Visitors must register at the office and receive identification badges that must be displayed at all times. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and with special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of a clear tuberculosis (TB) screening, and receive a Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and be fingerprinted.

The School Safety Plan was last reviewed and updated on 10/24/23.

Professional Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district offers staff development days annually during which teachers are given a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. This year new teachers received two pre-service days. Also, teachers have the opportunity to receive additional development throughout the school year. Professional development topics include SIOP, technology professional learning communities, and curriculum alignment to the standards, writing and math.

Kingsburg Elementary Charter School District's New Teacher Induction program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the district also provides time and resources for collaboration, planning, and professional development for all staff.

In recent years the Tulare County Office of Education has worked with our teachers to help them understand the process of writing and guided reading. These trainings happen during the school year. In 21-22, our professional development was focused on math, with The Fresno County Office of Education providing the training. In 2023, teachers have received professional development in the areas of Press Intervention, Guided Reading, ELD, and CAASPP.
