2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Named to honor a dedicated educational leader and respected principal, Charles H. Castle School is nestled in a quiet southwest Bakersfield neighborhood on the corner of Wilson Road and Edgemont Drive. After service in the Air Force, Mr. Castle settled into a rewarding career as a public educator. At Panama and Seibert Elementary Schools he inspired the respect of staff, students, and families for his high expectations for academic performance and citizenship. Opening its doors in January 1976, Castle Elementary School continues Mr. Castle's tradition. Castle Elementary School is one of 25 schools in the Panama Buena Vista Union School District. Castle is a neighborhood school with most children living within walking distance of the school. Students at Castle receive a wide range of programs and services. Castle is designated as a Title I School, meaning that 75% or more of our students qualify for free or reduced lunch. In addition, Castle boasts a STEAM (Science, Technology, Engineering, Art and Math) program. Students have the opportunity to engage in unique learning experiences in 21st Century Labs where they learn ELA/Math content through the lens of STEAM. Castle has also been designated as a Positive Behavior Intervention and Supports (PBIS) Gold level school for their work in establishing a positive, proactive learning environment.

Castle is staffed with the following: Principal, Assistant Principal, 30 regular classroom teachers, 2 Music Specialists, two special education teachers, two intensive intervention teachers, two academic coaches, a psychologist, a speech therapist, and one reading specialist. These professionals ensure student learning and needs are supported in a variety of ways. Castle School receives funds from LCAP and Title I monies from the federal government. The Title I funds serve to improve the Language Arts program and support intervention practices in grades kindergarten through sixth. These funds are also used to improve the core program, provide professional development, assist identified English Language Learners, increase access to technology and improve instruction in ELA and Math.

Castle's school purpose, "Breaking Barriers, Building Futures" drives the daily work of the school. Castle staff strives to use high leverage strategies and best practices to overcome the barriers students face and create new possibilities for their future. Their goal is to provide "Excellence in Education" as defined by the Panama-Buena Vista Union School District. Dedication, hard work, and a commitment to solid academic teaching practices have created a safe, nurturing, and academically focused learning environment. Castle's goals include increasing achievement in reading, math and EL Re-designation rates. Additionally, we also strive to provide integrated learning experiences that build 21st Century Learning skills.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All grade levels have access to the district adopted state approved English Language Arts textbooks, Benchmark Advance in grades TK-6 and StudySync in grades 7 and 8. In addition, sites have leveled readers to use for small group guided reading instruction and intervention. Kindergarten uses phonemic awareness books to solidify instruction for letter sounds and blending. Grades 1-3 use additional resources to supplement their phonics curriculum. 95% Group materials are used to supplement ELA instruction. They are also used during intervention blocks to address the specific needs of students two or more years behind grade level. Students are also engaged using computer programs such as Lexia and, Read Naturally Live. All grade levels have access to the district adopted state approved math textbooks, Go Math for math instruction. In addition, Engage NY is used to supplement math instruction, when needed. Students are also engaged using Next Gen Math, a computer program designed to differentiate instruction in math.

School Facility Conditions and Planned Improvements

Castle provides a safe and clean environment for learning. A scheduled maintenance program is administered by the District to ensure that all classrooms and facilities are maintained to a degree of adequacy that provides for a safe learning environment. Ongoing repairs and modifications to the physical plant exceed California Building and Safety Codes. The District's Coordinator of Safety and Risk Management verifies quarterly that OSHA requirements are met. The exterior grounds are well lit and the perimeter of the school facility is fenced for student protection and safety. A team of custodians ensures classrooms and campus grounds are kept clean and safe. The restrooms are cleaned, sanitized and secured at the end of each school day with 100% of the toilets in operating condition. As outlined in our Safe Schools Plan, the safety committee has addressed concerns for the safe coming and going of our students. Staff receive inservice in regards to emergency protocols and CPR. Identifying tags are issued to substitute teachers, volunteers, and other visitors as they register in our office. Visitors must scan their ID before entering campus. The gates on the perimeter of the school playground are locked during school hours and staff members are trained to activate lock down procedures in the event of an emergency. Our positive partnership with local law enforcement is evident in their quick response time when concerns arise. Designated staff members carefully supervise students on the playground and in the cafeteria. Grounds and playground equipment are inspected regularly for potential hazards. The District provides on-going training in CPR/First Aid as part of its staff development program. Fire and/or disaster drills occur monthly and a complete school site disaster plan has been prepared and is in place and available for public review. Scheduled certificated supervision of students begins officially at 7:15 a.m. when the school opens and supervision ends at 2:45 p.m.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	25	22	30	31	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Castle's commitment to excellence is characterized by a school community comprised of staff, students, and parents who value education, are highly motivated, and who work diligently to serve the needs of all students. The staff and School Site Council work jointly to implement the best possible instructional programs for Castle students utilizing the resources made available through Title I and LCAP. Castle's Parent Club and community partners have been instrumental in supporting a wide range of student activities. Castle provides a caring environment with a strong commitment to home-school communication.

Castle begins the year with a "Meet the Teacher" event. Castle conducts a monthly Coffee with the Principal event where involvement activities are discussed and parents are invited to give feedback. Additionally, Castle implements Family STEAM Nights, Music productions, Family Picnic, Movie Nights as well as other events to welcome families on campus. Throughout the year, Castle offers several parenting classes online, as well as other Title I workshops. Parents provide input through digital surveys set out through Parent Square Smart Alerts. This ensures that a survey link is sent to every parent's phone. Ongoing, regular communication with families is important to the staff at Castle.

To find out how you can participate in school activities please call the school secretary at 661-834-5311.

2023-24 School Safety Plan

Castle Elementary strives to maintain a safe, positive learning environment. The goal of Castle's discipline program is to provide students with opportunities to learn self-discipline through a system of clear expectations, consistent rewards and consequences for their behavior. Castle Elementary believes students who develop a sense of personal responsibility will mature both academically and emotionally. Parents and students are informed of discipline policies at the beginning of each school year through classroom orientation as well as individual parent-student handbooks. Castle also provides social emotional support for students. The Behavior Intervention Assistants conduct social skills groups and conduct check in-check out to foster positive behavior. Castle establishes guidelines to provide students with a meaningful, productive, and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives as well as assertive discipline and conflict resolution tools to further develop personal growth. Suspensions and expulsions occur only when required by law or when all other alternatives are exhausted.

Castle has a Comprehensive Safe School Plan which was developed with the support of the School Site Council. Our school's Comprehensive School Safety Plan is reviewed and updated annually following a review by the School Site Council, comprised of a minimum of the school principal. It is annually reviewed and approved by the district's Board of Trustees. It is also discussed and reviewed with the staff every August. The plan covers emergency response protocols, positive discipline, incentive programs and safe school practices. Castle has implemented sanitation, hygiene and physical distancing procedures to reduce exposure to COVID-19 as well as other contagious viruses and bacteria.

Additionally, Castle has implemented routines for arriving to campus and dismissal to maintain safety. Furthermore, drills are conducted monthly to teach students how to properly respond to a emergency. Castle is a "closed campus," meaning all visitors must provide identification and sign in to be allowed on campus. Students with excessive tardies, trancies or unexcused absences are subject to mandatory parent conferences with the site administrator. The District has established an Independent Study Program for students who must be absent from school due to illness for an extended period of time.

Fiscal Year 2022-23 Types of Services Funded

The District's general fund includes monies for:

- General operations—salaries, benefits, services, materials, and support to the general education
- Special Education—programs offering appropriate, individualized instruction to students with special needs
- Coordinating Federal Funds for strategies to meet the goals of the SPSA.
- Coordinating State and Local funds for strategies to meet the goals of the SPSA.
- Gifted and Talented Education Program—specialized learning assistance for identified students of high ability, achievement, or potential
- Special projects—monies from agencies (federal or state) earmarked for specific programs/projects or services
- Transportation
- Maintenance and operations
- District administration

Each school in the District receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding sources.

The District's categorical fund includes monies for:

Title I:

Title I, Part A is a federal program to ensure that schools with high percentages of children from low-income families have a fair, equal, and significant opportunity to obtain a high-quality education and reach proficiency on State academic achievement standards and assessments. Funds support effective, evidence-based educational strategies that close the achievement gap and enable students to meet challenging academic standards. All expenditures must be supplemental to the basic core program and written into the School Plan for Student Achievement based on a comprehensive needs assessment. Input on budget and expenditures is gathered and shared with the staff, School Site Councils, the school's English Learner Advisory Committee, and District Advisory Committees. Use of funds may include any of the following: hiring supplemental staff, professional development, supplemental instructional materials, technology, library materials, after-school academic support, parental engagement activities, social-emotional well-being, consultants, and assistance for homeless children and youth.

Title II:

Title II provides supplemental activities that strengthen the quality and effectiveness of teachers, principals, and other school leaders which include:

Increase student achievement consistent with the challenging state academic standards;

Improve the quality and effectiveness of teachers, principals, and other school leaders;

Increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and

Provide low-income and minority students greater access to effective teachers, principals, and other school leaders.

Title III:

The district uses Title III funds to help ensure that children who are limited English proficient, including immigrant children and youth, attain English proficiency, develop high levels of academic attainment in English, and meet the same challenging State academic content and student academic achievement standards as all children are expected to meet. The focus is on professional development for teachers across the district that will: 1). Improve the instruction and assessment of ELs; 2).

Enhance the ability of teachers to implement curriculum, and improve their instructional strategies for ELs; and 3). Effectively increase students' English language proficiency.

Title IV:

The District uses Title IV funds to improve students' academic achievement by providing all students with access to a balanced academic program including a wide range of support including physical health/wellness, social-emotional, positive behavior, and mental health to improve conditions for student learning. Use of funds may include any of the following: hiring specialized support personnel, professional learning, supplemental instructional materials, technology, consultants, etc.

Professional Development

Professional Development Focus areas include 21st-century learning strategies, English Language Development, district-adopted curriculum, educational technology strategies, district-adopted intervention strategies for MTSS, Direct Interactive Instruction, Classroom Management, Common Core Standards Implementation, Grade Level Focus Groups, as well as PBIS and AVID implementation. Areas were selected based on a district-wide survey reflecting on student achievement and areas of additional need from the teacher's point of view. Professional development is delivered through district-wide Educator Learning Summit, pbvUniversity, administrative leadership training, site-specific professional learning, conference attendance, and Kern County Superintendent of Schools and university partnerships. Each site participates in a weekly early release day to focus on Professional Learning Communities, which include ninety minutes of release time for teachers to receive school site professional learning and develop Common Core standards-aligned lessons with their collaborative teams. Through administrative professional learning opportunities, follow-up coaching is provided to support district-driven instructional priorities to support the implementation of teacher professional learning. Teachers are also supported by site administration, academic coaches, New Teacher Support, instructional coordinators, and specialists.
