

Homework hour gives students the opportunity to work on their written homework and/or study for tests under the supervision of a teacher from the Notre Dame faculty. A teacher is available to help answer student questions and guide them in organization, time management, and study skills. Volunteer peer tutors are also often available. Our goal is to help lighten the load for students and their families when they go home. Students attending and volunteering may bring a light snack and water in case they get hungry.

Marathon 2023: “Fun”damentally Fantastic

by Isabella Perez and Gabriella Del Valle

The 2023 Notre Dame marathon was a great success!! Mia Castellanos in 7B and Brady Banas in 2A created the shirt design which was inspired by this year’s theme, “Reading is “Fun”damental.” The parking lot was filled with wonderful parents and grandparents along with students who really set the mood to a high standard. We started off our morning with the choir singing at the 9:00 AM Mass, had pretzels as a snack, and enjoyed the bright, sunny day by eating lunch outside. Thanks to those who donated, there was a delicious selection of cupcakes and other desserts to enjoy. ND’s talent show was absolutely incredible! Congratulations to our two-time first place winner, Nicholas Petrides in 7A, our second place winner, Oliver Scheide in 7A, and our third place winner, Lily Flurer in 8B. All of the talent show participants did a phenomenal job as well. Some of the Bethlehem Catholic cheerleaders, band members, and football players

accompanied us throughout the day. The 8th graders were excited and ready to show off their skills by continuing the tradition of performing the 8th grade dance. Our teachers also showed off their impressive moves with the ND Team dance! In addition, students and Team members from various grades won prizes of all sorts. Mrs. Thomas won a giftcard to Fiamma, and Mrs. Boyle won the teacher prize of \$500. Jacob Slee in fourth grade was the lucky student who won the grand prize of a \$500 giftcard to the PPL center. It couldn’t be a Notre Dame marathon without our school walk. We were fortunate to have the Bethlehem Mounted Police and some bike officers who assisted and guided us on our walk. When we got back to school, students were treated to ice pops to help cool off. Overall the 28th annual marathon was a remarkable day that displayed our school spirit. We are ready for and have high hopes for next year!

The Feusner Feature

by Mrs. Fesuner

As the Knightly News staff interviews new faces around our school, I interviewed the new reporting staff as my first Teacher Feature.

Our 7th grader, Mia Castellanos from 7B informed me that she became a reporter so she could improve her writing skills. She loves making comic strips with her favorite drawing app. Currently, she doesn't think she will pursue being a reporter as a future career, but may continue with it in high school. Lastly, a fun fact Mia shared with me is that she has been swimming for the last five years!

Our three 8th graders begin with Giada Sena. She decided to join the staff because she likes to write and thought it would be a great

bonding experience with the rest of the staff. Giada enjoys doing research for her topics. Further, she feels being a reporter may continue as a future career. Her fun fact is that she has three dogs and one younger sister.

Next, eighth grader Miss Addison Clee. Addison joined the staff because she wanted to inform the students and parents about the school's happenings. Her favorite parts of writing are the alumni questions along with the trivia and joke sections. She feels this activity will lead her to continue to write for the newspaper in high school as well. Lastly, the unique detail about Addison is that she enjoys doing nail art in her free time. Can I make an appointment?

Finally, 8th grader Julia Barbier informed me that she loves to write and wanted to be a part of restarting the school newspaper. Like Addison, Julia feels it is important to share the news about the school with the students. For her future, she thinks writing for the newspaper may peak her interest to be a reporter, but currently she thinks it will lead her to be a writer rather than a reporter. A fun fact of Julia's life is that she is in her 10th year of dance!

Overall, we definitely have a variety of reporters for Knightly News. Next month, I will have four more staff members to report on.

Virtues of the Month

by Gianna Soares

Throughout the month of October, ND students practiced the virtue of gratitude. Gratitude means the quality of being thankful; readiness to show appreciation for and to return kindness.

There are various ways to show this virtue, and our teachers and staff have seen it first hand. For instance, some of our students were seen or heard students saying thank you to others. Some talked about what it means to be grateful and how they can reflect on those items. Others volunteered their time at the Trunk or Treat, help at our weekly homework hour, and

helped clean up around the school for our faculty and staff.

On October 27, during the Friday school, Mrs. Clee called upon the students who were chosen by their teachers to go and receive their certificates. Parents and grandparents who were able to attend Mass, joined together outside at the Grotto with the recipients to take pictures.

Our ND family has learned that all of us have the chance to practice this virtue any moment in time. Why don't we show your love for Christ and others by expressing gratitude to everyone around you.

A Peep into the Parish 🗨️

- There is no Eucharistic Adoration on Friday, November 10th while an electrical project is completed in the church.
- November 19th, the Knights of Columbus will host breakfast after Sunday masses.
- The next Bingo game is on November 11th!

Saint of the Month

Pope Saint John Paul XXIII
Feast day: October 11th

"Consult not your **fears**, but your **hopes and dreams**."

Born Angelo Roncalli to a poor family, he was the 4th child of fourteen siblings. He left his home at age eleven to become a priest and was elected pope when he was seventy-six years old. When he unexpectedly was chosen as pope in 1958, he took the name "John." While pope, he made a call for the *Second Vatican* to discuss "modernizing the church." To the surprise of many people, he was known as the "Good Pope" and was the first pope to leave the confines of the Vatican to visit those imprisoned.

Alumni Check In

by Julia Barbier and Addison Clee

Each month Knightly News reporters check in with alumni to see “Where are they now?” This month we spoke to alumni, Joshua Soares and here is what he had to say:

Q. What year did you graduate from Notre Dame?

A. “I graduated in 2011. I didn't realize how old I am!”

Q. Where did you go to high school/college?

A. “I attended Bethlehem Catholic High School, and then I attended The Catholic University of America. I went to Catholic school my whole life.”

Q. Who was your favorite teacher?

A. “My favorite teacher was probably Mrs. Vankooten. (I am not sure if I am spelling her name right.) I remember that year being one of my favorite years at ND. She was always very nice and had great stories to tell, plus she let us bring in blankets and watch a lot of movies. She always seemed to strike the perfect balance between being kind and yet still leading the class and being in charge.”

Q. If out of high school, what career path did you choose and why?

A. “I am out of school, and I am an Architect. When I was younger, I always wanted to be an Engineer, but it wasn't until I was in college that I decided to pursue Architecture instead. I have always been fascinated with buildings and the built world around us. At first that fascination was focused more on

physics and how and why things stood, but as I went through college. I became much more interested in actually designing the buildings and cities we live in, so I switched over to Architecture and have loved it ever since!”

Q. How did Notre Dame impact your life?

A. “Growing up at Notre Dame truly shaped me into who I am today. Many of my teachers and classmates helped to push me to be a better person, as well as helped teach me life skills that I still carry with me today. I have made lifelong friends from my time at Notre Dame and always look back fondly at my time there. Plus how could I ever forget that fifty-six is actually “fitty-six” (thank you Mrs. Ludwick), and that Roy G Biv is Mrs. Karabasz's uncle!”

School Happenings

by Julia Barbier and Addison Clee
Service Corps

Over the course of this month the Service Corp has

been busy. Service Corp members stayed after school on October 4, 2023, to prepare our Church for several events happening over the weekend. As well as cleaning the Church, Service Corp members

helped at the first children's liturgy Mass on October 15. Members also helped rake leaves outside the rectory, they stayed after school to clean classrooms, hallways, and stairs for teachers, and they lent a helping hand to

both 4B and Preschool, so they could move back into their classrooms.

8th grade shadows at BECAHI

On Thursday, October 19, 2023, the 8th grade class went to Becahi High School to shadow. The day consisted of going to different classes to see what a freshman's day is like. Some of the classes attended were algebra, biology, gym, foreign language, and music. To end the day Notre Dame Alumni told the eighth grade about different clubs and activities offered at Becahi.

Trunk or Treat-10/22

On Sunday, October 22, 2023, ND held the 2nd annual Trunk or Treat in our school parking lot. Students dressed up and went from trunk to trunk for some treats. 8th grade students volunteered to help sell hot dogs, soda, and

glowsticks as well as do face painting and assisting younger students who decorated pumpkins.

Kindergarten goes to the pumpkin patch

On Monday October 23, 2023, the kindergarteners went to Unangst Tree Farm. KA and KB students got to go through a corn maze that connected to a story they read previously. Students also went on a hayride, picked pumpkins, played with corn, fed sheep, and learned about different products grown on the farm.

Parents Conferences

On October 25, 26, and 27, 2023, teachers and parents had conferences. Each day the students were dismissed at 11:45 before conferences began. Parents and teachers met to talk about how the school year and classes were going so far.

Book Parade

On October 26, 2023, all students from preschool to sixth grade dressed up as a character or word from their favorite book. Seventh and eighth graders joined their kindergarten and first grade buddies while sixth grade students walked with our Preschoolers.

Halloween Parties

On October 27, 2023, each grade from preschool to eighth grade had a party to celebrate Halloween. Parents of each class donated treats to have at the parties. Throughout the day each homeroom also had fun completing Halloween activities. Overall it was a great way to end the week.

Notre Dame Sweeps Diocesan Spelling Bee

On Monday, October 30th, St. Jane's hosted the diocesan spelling bee. Notre Dame students made a fabulous showing and swept the top three spots in the 7th grade division while bringing home the top spot in 6th grade. Congratulations to the winners pictured at right, 7th graders Isabella Perez 1st place, Lindsay Creamer 2nd place, and Siobhan Crews 3rd place and 1st place in 6th grade, Thomas Tocci. We are so proud

of our stellar spelling knights and look forward to their success as they progress to the next level which takes place at St. Peter and Paul in Lehigh on November 12th.

Phillies “Ph”ever

by Giada Sena

Everyone seems to have red hot Phillies fever. Even Taylor Swift’s new boyfriend and his brother are getting in the Philly spirit. During the National League Divisional playoff series, the Philadelphia Phillies took on the Atlanta Braves. Philadelphia Phillies, Nick Castellanos made MLB history by being the first man to hit two home runs in back-to-back

postseason games. The Phillies won the series 3-1 and moved onto the National League Championship (NLC) against the Arizona Diamondbacks.

The NLC has been nothing short of exciting; the Phillies kept up the heat in games 1 & 2 taking the wins against Arizona. The Diamondbacks tied up the series winning in games 3 &

4. Philadelphia took game 5; Arizona game 6. The series was tied up until 10/24 when they lost against the Arizona Diamondbacks, in Philadelphia at Citizen’s Bank Park. According to MSN.com, the Phillies have 18 home runs in the postseason games; which ranks third out of all time for most through eight playoff games.

CYO Diocesan Results: Volleyball & Cross Country

by Giada Sena

The season has been in full gear, and as October comes to an end, the CYO volleyball and cross country seasons are coming to an end.

On Oct 15, the cross country team competed in the Diocesan championship meet with almost every runner making a personal best time for the season! Congratulations to the medal winners in each division, K-2 Tyler Gerner and Andrew Petrides, 3 -4 Rylee Hahn, Ellie McHenry, and Christopher Petrides, 5 -6 Thomas Tocci and Aubrielle Hess.

On October 21, the girls varsity teams battled it out in the district varsity tournament. ND’s varsity blue team gave it their all and had a phenomenal season. Our varsity gold team took the gold and won the district championship. Hard work, dedication, and faith came out on top. Congratulations!

The JV teams district tournament took place on October 28 at Holy Family and St. Annes. Despite hard work and great games played by both teams, they fell short of the championship match. Great job JV blue and gold!

Feast of St. Paul of the Cross

My Dear Parents dedicated to the Mission of Catholic Schools,

Thank you for choosing our Catholic schools for the education and formation of your children. The sacrifices that you make to ensure your children are educated in the Faith serve as a beautiful witness to your commitment to our Lord.

As the primary teachers of the Faith to your children, your own relationship with Christ is equally important and must be fostered and always growing. It is with this in mind that I am pleased to invite fathers, and all men, to join men from across the Diocese at the **Twelfth Annual Diocesan Men's Conference**. The Conference will take place on Saturday, 18 November 2023 at DeSales University. This year's theme is *Ask, Knock, Seek*. The presenters will discuss inspiration for men of faith about our church as it relates to present times.

Every year hundreds of men gather for this great event with presentations by nationally and internationally renowned presenters. This year will feature presentations by Fr. Larry Richards, Matthew Leonard, and Peter Herbeck.

In addition to the wonderful presentations, the Conference offers the opportunity to encounter our Lord in the Sacrament of Penance, and Holy Mass. Attendance at this Conference has consistently had deep impacts on the lives of those who attend, from the presentations, encounters with our Lord in the Sacraments, and new friendships.

Finally, fathers are invited to bring their sons at a discounted rate. The experience of seeing hundreds of men praying together and taking the faith seriously can have a deep impact on the life of a young man in his formative years. Please visit MenAliveInChrist.org for more information and to register. It is my great hope to see your lives enriched at the Conference.

With gratitude for your attention to this letter and invoking God's blessing upon you and your family, I am

Sincerely yours in Christ,

✠ Most Reverend Alfred A. Schlert
Bishop of Allentown
