

Carberry Elementary School

Emmett School District
Greg Alexander, Principal

Highlights:

- ★ Mr. Alexander attended Project Leadership Vanhemert Academy in Sun Valley, November 6-8th. He is the Region 3 Liaison helping new leaders with training and support. Here is a picture of the Region 3 cohort.

- ★ Carberry was invited to a webinar where the UWTV talked about the \$46 million award for the next 5 years as a Community School we will surely benefit from this award.

★ NASA project winners for a Straw roller coaster. NASA specialists shared with each class the project and then any student was allowed to participate. Below are the winners of “Best in Design”. Pretty cool projects with straws, glue, and at least 3 turns.

- ★
- ★ Carberry had a competition to raise canned food for the Huskie Cheer Baskets. The three hallways had a 2-way tie and the last hall was six cans short until someone pitched in the 6 cans for a 3-way tie. All the students are receiving a popcorn party on Friday, December 8th. Mrs. Garringer's class brought in the most items. There were a total of 2500 items brought in by Carberry students and staff. Way to go. Raising up students to be caring community members.
- ★ Below is a picture of Police Chief Kunka helping get the food loaded into several trucks to be delivered to the high school. We are thankful for the civil service support in getting the food to the high school to get organized to meet the needs of our families and community members.

- ★ Kitchen Staff Linda Savage and Amelia Sears helped Mrs. Walton get the 400+ bags of popcorn ready for Friday's celebration.
- ★ We finished a week of testing IRI Fall Benchmarks and math testing as well as taking SICA (Pretest of spring ISAT) tests in Math and ELA. Teachers will use the data to make plans for the spring on our PD day January 5th along with instruction from our new ELA curriculum.
- ★ NASA team wrote a grant for 10 drones for the specialists to use in the spring. Teachers and students are really excited.

- ★ Part of our PBIS structure is to award students Huskie points for before that exemplifies our values of PAWS (Personal Best, Acts Responsible, Works and plays safely, Shows Respect). When students get a Huskie point they write their name on the bottom and turn them in. At the end of the week, 2 names from each grade are pulled to represent the Huskie winners. We post a picture each week of the students who are Huskies. We have added a staff member to be drawn as well from getting Huskie PAWS for doing great things that are noticed by other staff members.

- ★ Thank you to Sara Tippy and Maddie Parks for facilitating the after-school program on Thursdays at CES. Students can select from a variety of projects or game type programs and these two educators make it happen each week. Pictures of the program next month.
- ★ We are wrapping up some hiring for paras that will be leaving next week and at Christmas break, looking forward to getting that taken care of.

Enrollments (425)

<u>Grade</u>	<u>Enrolled</u>	<u>Attendance 10/2/23 - 12/7/23</u>
<u>Kindergarten</u>	<u>48 up 1</u>	<u>93.10% down from 93.58%</u>
<u>1st Grade</u>	<u>58</u>	<u>94.22% up from 93.87%</u>
<u>2nd Grade</u>	<u>71 up 1</u>	<u>95.3% down from 96.19%</u>
<u>3rd Grade</u>	<u>73 up 3</u>	<u>96.4% up from 95.74%</u>
<u>4th Grade</u>	<u>80 up 1</u>	<u>95.53% up from 94.85%</u>
<u>5th Grade</u>	<u>103 up 2</u>	<u>94.23% down from 95.38%</u>
<u>Total Enrolled</u>	<u>433 up 8</u>	<u>1-5th average is 95.33% up from 95.05% last month.</u>

Please see the Carberry Newsletter for other information that is going out to our families.
