

TEACH CHILDREN TO MANAGE THEIR TIME, SPACE, AND MATERIALS (AND KEEP THEIR EMOTIONS IN CHECK)!

Powerful Strategies to Help Children Develop Independent Executive Function Skills

Virtual on
Zoom

6pm -
8pm

February 15,
2024

Parents Will:

- ▶ **Develop** a solid understanding of what the executive function skills are and how they impact a student's academic and personal performance.
- ▶ **Learn** easy-to-implement strategies to promote the development of executive function skills in everyday activities.

About the Presenter

Kristen Jacobsen, M.S., CCC/SLP has 25+ years of experience in the treatment of executive dysfunction. She co-developed the award-winning, globally recognized 360 Thinking Executive Function Program with Sara Ward.
