

## Credit Recovery 2023-2024

### Program Description

Students can earn a semester of credit for every session they successfully complete. The courses are a combination of online and district produced curriculum. The classes meet local and state standards. See your counselor for class options. Students are required to spend 16 hours in class with a certified teacher and need an additional 20 hours to complete the class. Students are required to attend each class in the session and have a passing grade in order to earn their 16 hours.
