## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Meadow View Elementary's vision states in partnership with our families and communities we will develop innovative and productive leaders tomorrow through a safe school environment supported by our school's safety plan. There is a firm belief that all students can learn and once individual strengths are identified, we are responsible for providing opportunities for our students to be successful and thus gain in confidence and self-esteem. This year we are focusing on innovative Early Literacy and technology programs. We are also participating in the development of area wide content and performance standards in Language Arts and Writing. In addition, we are fortunate to offer after school clubs and activities for our students some of which include: Volleyball, basketball, Marimba, soccer and weekly piano lessons with Move Over Mozart.

Meadow View's mission is to provide a positive academic learning environment where all students will be empowered to think creatively and critically.

All classroom teachers are fully credentialed. All staff members are dedicated to nurturing the whole child through a high quality core curriculum. Students with special needs have full access to the core curriculum. This curriculum aligns with the California Common Core Standards.

Meadow View is a K-6 elementary school, located in the rural southwest of Santa Rosa. We have approximately 382 students. We have 16 general education teachers, 1 RSP teacher, 2 SDC teachers (1 intern), 5 literacy paraprofessional, 1 newcomer instructional assistant, 4 instructional assistants in TK and Kinder and 6 student supervisors. Many of our students live one or more miles away, and are transported to and from school by bus. Spanish is the primary language of most of our students. Meadow View has a huge extended family, and the campus is host to many programs and classrooms that serve our students and their families, including AmeriCorp/CalSERVES volunteers serving as tutors and after-school teachers. Students in first through sixth grade have 1 to 1 chrome book access; K have 1 to 1 iPad access. All students have access to headphones and a mouse.

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22

Misassignments	1.00	1.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>1.00</b>	<b>1.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	<b>0.00</b>	<b>1.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	5.8	5.8
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	10	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	21	21	21	26	47	46
<b>Mathematics</b> (grades 3-8 and 11)	11	21	12	20	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents play an important role in our school community and are formally involved in Meadow View Elementary School through our monthly coffee with the Principal, Parent Club, ELAC, School Site Council, and volunteer opportunities. We strive to increase parent participation as well as offering family evening and school day events. We offer educational events such as Halloween Trunk or Treat, Winter Wonderland, Spring dance, Back to School Night, Title I meeting, and Open House. Parents are encouraged to serve as volunteers in classrooms for special school programs and events as well as provide general assistance when needed. Our after-school program is offered by CalSERVES; supports our family programming. All written and verbal communication from the school is translated into both English and Spanish including upcoming events listed on our marquee as well as information contained on our school website. We also employ the use of Blackboard, which is a program that allows us to contact our parents via telephone and email and leave pertinent school messages and information.

## 2023-24 School Safety Plan

Our school's Safety Plan assures the safety of students and staff in case of an emergency. It includes the ability to communicate with the district office and outside agencies for ongoing support services through a strong network of city, county, state and federal communication services. School-wide safety drills are conducted monthly. The School Plan is updated annually and approved by the School Board and School site Council. School Safety is discussed at the School Site Council meetings, Parent coffee meetings, and during Certificated and Classified staff meetings. At Meadow View School we believe that student safety is our highest priority. The School Safety plan was reviewed and approved on January 22, 2024 at the School Site Council meetings (September 18th and November 6th, 2023). As a staff we reviewed and approved the safety plan on December 6, 2023. At our weekly staff meeting we discuss disaster procedures, ingress/egress of pupils, parents and employees, discrimination and harassment policies, and attendance.

## Professional Development

Ongoing professional development is an important part of improving our school program. Our school district invests heavily in professional development offering over 34 opportunities and as a result, our students receive excellent instruction. The school district and Meadow View Elementary provide professional development targeted to raise student performance on the STAR Reading Assessment, CASSPP, and the ELPAC. The major improvement efforts this year have focused on English language development, writing . Math coherence and Guided Language Acquisition Design training. Our district also provides individualized coaching through the use of a consulting teacher, site based TOSAs (teacher on special assignments) and release time to observe in other classrooms for teachers to receive additional professional development and support in individual areas of need. Teachers meet at least weekly in PLCs and collaboration time to analyze student data, plan instruction and evaluate student learning. Technology is used extensively to disaggregate and analyze student data to guide instruction. Additionally, our site has a full time TOSA (teacher on special assignment) and the school district has a full time TOSA (teacher on special assignment) to support teacher professional development in the identified areas of literacy skills, English language development, small group intervention, as well as student achievement.
