## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### Principal's Message

The Creekview Ranch TK-8 School was named a Taking Center Stage-National Schools to Watch and was redesigned with this award in the 2022-2023 school year. The staff has high expectations academically and behaviorally for all students. Staff members at Creekview Ranch come together to promote positive self-esteem, self-motivation, acceptance of differences, and a sense of responsibility in their students. Visitors to Creekview Ranch will see our pledge/"personal standards" in action by observing the positive interaction between adults and students, focusing on academics, students' well-being socially and emotionally, student engagement, family engagement, and programs encouraging student achievement and involvement in our educational community. Creekview Ranch School is also a PBIS school where all staff and students strive always to follow "The Raptor Way" (Show Respect, Make Good Decisions, and Solve Problems).

### Creekview Ranch Vision

The Creekview Ranch School staff, students, and parents collaboratively pledge to create:

- An engaged school community
- Mentoring, support (academic, social, emotional), and enrichment for all students
- A safe and encouraging learning environment

### Mission Statement

Creekview Ranch School pledges to make the following happen, whatever it takes:

- All students will learn and be academically successful.
- All students will be supported academically, socially, and emotionally.
- Raptors will soar high and be college-ready!

### School Profile

Creekview Ranch School is one of nine (9) schools in the Dry Creek Joint Elementary School District where imagination, creativity, and innovation are hard at work, laying the intellectual foundation for all students. Creekview Ranch focuses on

## 2023-24 School Description and Mission Statement

educating the whole child and challenges students with a thought-provoking, hands-on curriculum, equipping them with social-emotional support and tools to achieve academic and life-long success. Maintaining consistency throughout the district, the curriculum is based upon Common Core Standards and supported by ongoing staff development at the district and site levels. Creekview Ranch is rich with opportunities in science, technology, engineering, and the arts. The use of technology to supplement instruction and student learning is one of our top priorities. Classrooms are equipped with 21st-century technology and staffed with professionals who motivate and inspire students.

In August of 2014, Creekview Ranch K-8 opened on the beautiful, state-of-the-art, award-winning Creekview Ranch campus with the relocation of the Dry Creek Elementary School campus. The school, now in our tenth year as a TK-8 school, serves over 800 students in grades transitional kindergarten through eight from all three communities of the district: Antelope, Dry Creek, and Roseville.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22

Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	1.00	0.00
Local Assignment Options	6.20	4.30
<b>Total Out-of-Field Teachers</b>	7.20	4.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Dry Creek Joint Elementary School District held a Public Hearing on September 14, 2023, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Online access to textbooks is also an available option for mathematics, English Language Arts/English Language Development (ELA/ELD), History Social-Science and Science in grades kindergarten through eight. Instructional materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are piloted and reviewed by teachers, and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at each school site, the district office, and in some cases online prior to adoption. Parent input and feedback are given to the Board with committee recommendations. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used in the school.

## School Facility Conditions and Planned Improvements

Creekview Ranch School was originally constructed in 2008 as a middle school. In 2014, Creekview Ranch opened as a K-8 school with 38 classrooms, one gym, one multipurpose room/cafeteria, one library, and one staff lounge. In 2020, 5 new classrooms were built, expanding the capacity to 43 classrooms. The principal works daily with the custodial staff of 6 (4 full-time and two part-time) to ensure that the cleaning of the school is maintained to provide a clean and safe school.

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed promptly.

An administrator and the lead custodian regularly inspect all facilities to ensure all facilities are well maintained, clean and safe for our students. Although student growth is on the rise, we have maintained proper facilities to accommodate our academic needs school-wide. To ensure student safety, campus supervisors monitor school grounds during, before, and after school hours and teachers and administration before and after school. All campus supervisors are trained and assigned specific locations to monitor. Our school strictly enforces our school visitor pass and employee identification badge requirements.

The District makes great efforts to ensure that all schools are clean, safe, and functional. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed promptly. A work order process ensures efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	65	61	56	54	47	46
<b>Mathematics</b> (grades 3-8 and 11)	49	46	45	46	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

At Creekview Ranch TK-8 School, parents play an essential role in their child's education and our school's success. Our goal is to create opportunities for our parent community to be a part of the Creekview Ranch TK-8 School programs to increase parent involvement.

Parents and community members have the opportunity to become involved in a variety of activities at Creekview Ranch. These opportunities include the Parent-Teacher Association, School Site Council, ELL Parent Advisory Committee, classroom volunteers, field trip chaperones, the Book Fair, athletic events, parent education nights, and other programs and events.

Communicating with parents regarding the progress of their child is a top priority at Creekview Ranch. Parents are regularly informed of student progress through parent-teacher conferences, progress reports every sixth week of a new trimester, report cards, Student Success Team meetings, IEP meetings, the tiers of our Responses to Intervention, Intervention Plan conferences, Parent/School Communication Folders (TK-5), and student planners (4-8). Parents also can view their child's current grades and attendance using an Internet-based parent portal to the student information system. All teachers/grade levels send home weekly emails to parents with an overview of the week's curricular focus and school events/reminders. In addition, every Monday, an email is sent home with reminders of important information, and on the last Friday of the month, a school newsletter is sent home.

Each year we educate parents about volunteer opportunities and improve their understanding of District and school-wide programs and activities. Parent education and training topics include School Site Council Roles, Technology Platforms, Procedures & Responsibilities, assessment results, Standards-Based Report Card, District Standards and Assessments, intervention programs, school budget, GATE and ELL programs and activities, and Love and Logic for Parents. Parents are kept informed through weekly announcements, e-messages/reminders, the monthly newsletter, the Creekview Ranch School Handbook/Planner, Back-to-School Nights, Open House, teacher and program newsletters, parent-teacher conferences, the school website, Instagram, Facebook, teacher website/page, School Site Council and PTA meetings.

## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Creekview Ranch K-8 School. The school complies with all laws, rules, and regulations on hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed on January 23, 2023. All revisions were communicated to both the classified and certificated staff. The annual review is scheduled for January 2024, including a consultation with the local police department contact to review the school's safety plan. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Lock-down/barricade drills are held at least twice a year.

Throughout the year, several initiatives, assemblies, and ongoing programs educate students about bullying and ensure a positive campus environment. School goals are written to monitor and assess the school's positive environment. Staff, counselors, and administrators provide student services that enable students to have a connection to a caring adult on campus. Students are supervised before and after school by certificated staff/administration. A well-trained and knowledgeable team of campus supervisors monitors students during the school day during lunch and recess. There is a designated area for

student drop off and pick up. Before proceeding onto campus, visitors are to report to the administration office, sign in, and receive a visitor label using the Raptor Visitor System. In addition, all visitors who volunteer in classrooms complete a Volunteer Application that is reviewed by site administration.

## Professional Development

### PROFESSIONAL DEVELOPMENT DAYS

For the past several years the district has provided high quality, content and needs aligned professional learning to increase teacher effectiveness and student achievement. The district's vision for continuous improvement in student achievement drives our work.

Professional Learning has been provided through a variety of models; including our designated work days, professional learning institutes, staff meetings, and job embedded learning activities. Since the pandemic, we have developed effective online/virtual training in addition to our in person professional development. The options provided throughout the designated days, cadre, modeling, conference -style, instructional rounds, after school sessions virtual and hybrid styles have provided professional development in a flexible and accessible manner. In addition, five instructional coaches support our school sites on a daily basis with implementation of curriculum, modeling/coaching for teams/individuals, lesson development, ELD support and technology integration. Teacher responses on the surveys administered following professional development have been positive. We use this feedback to assist in the planning of future professional development.

We have provided Professional Development on the following topics:

- English Language Development (ELD)
- Guided Language Acquisition Design (GLAD)
- Instructional Materials Training
- Content Specific essential standards and assessments
- Special Education Services
- Best practices for grading and feedback for students
- Restorative Practices
- Toolbox for Educators
- Trauma Informed Practices
- Various online curriculum platforms and supports
- Co-Teacher Training
- IXL Training for ELA and Math teachers
- Modern Classroom Project
- Aeries Basics and Report Cards
- CASSPP Testing for 3-8 grade
- Building Thinking Classrooms
- SEL
- Eduprotocols
