Dear Mr. Anderson:

The Bethel School District No. 403, Pierce County, is desirous of affiliating with the King County Directors Association for school supplies and materials purchasing.

The membership request is based on the information given by you to me - that my role of past membership as Superintendent of the member South Whidby School District No. 206, Langly, Washington from 1951-60 would make my new district, Bethel, eligible.

A Clerk signed school board resolution of membership application is enclosed.

Respectfully yours,

John Milroy
Superintendent
