NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS (NAEP) TESTING

Hamden Middle School will participate in the National Assessment of Educational Progress (NAEP) on February 12, 2024. NAEP is the largest nationally representative and continuing assessment of what students know and can do in various subjects. It is different from our state and local assessments because it is a common measure of achievement across the country. The assessment is administered by the National Center for Education Statistics, within the U.S Department of Education. The results are released as The Nation's Report Card, which provides information about student achievement to educators, parents, policymakers and the public. If your

child has been chosen to take part in this assessment you will be receiving an email this week.

The assessment takes approximately 2 hours for most students, which includes transition time, directions and completion of survey questions. The information is used for statistical purposes only and your child's grades will not be affected. A brochure that explains what participation in NAEP means is available at http://nces.ed.gov/nationsreportcard/p

http://nces.ed.gov/nationsreportcard/pdf/parents/2012469.pdf. If you have questions please contact Ms. Coffey at jcoffey@hamden.org.

HAMDEN PUBLIC SCHOOLS VIRTUAL BULLETIN BOARDS

Parents are invited to check out the district website. It is the virtual space for community fliers. It is a great way to see what is going on in our beautiful town.

DAILY HEALTH ASSESSMENT

Please review this updated Daily
Health Assessment, available in
English or Spanish, with your child
every day. This is an important first
line of defense in both ensuring the
health and wellness of your children
and also protecting our entire school
community from the risk of infection.

SAVE THE DATE: IXTAPA DINNER FUNDRAISER

On Thursday, February 15th, the HMS community is encouraged to have dinner at a local Mexican restaurant, Ixtapa. They will donate 20% of all meals purchased at the restaurant or take out. (It does not include meals ordered through outside groups, like Uber orders, Grub Hub, or Door Dash.) We hope members of the HMS community will join us. It is a great night to tell your family that you are having a treat for dinner! And, who celebrates Valentines on 2/14? Smart families wait until the next day!
