

The image features a background with a dense, black and white pattern of irregular, torn-paper-like shapes. On the left side, there is a vertical strip of dark, textured material, possibly representing a book cover. Centered on the right is a white, rounded rectangular sign with a black border. Inside the sign, the text "WELCOME BACK" is written in a blue, hand-drawn font, followed by a horizontal line, and then "TO PRESCHOOL" is written in the same font, also followed by a horizontal line.

CLASSROOM PLACEMENT

CLASSROOM PLACEMENT

1) Your child may or may not have a new teacher this year. Moving to a different teacher can be great fun and expand your child's circle of trusted adults.

2) You will be notified of your child's teacher in August of the upcoming school year.

3) Results will be shared via mail, email or phone call.

PREPARING FOR LAUNCH

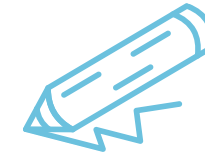

MEET THE TEACHER

Open houses and classroom visits

MEET THE TEACHER

At the beginning of the school year or prior to your child's first day during a mid-year enrollment you and your child will have the opportunity to visit their classroom and meet the teaching staff. At this time you will learn how to contact your child's teacher, get their supply list, and complete any classroom-specific paperwork.

HOW TO GET READY FOR THE FIRST DAY OF SCHOOL

Have conversations

Talk about meeting new friends, getting to play with new toys, and what the daily routine will be for your child.

Practice your before school routine

Practice getting up, eating breakfast, getting dressed at the time your child will be leaving for school.

Bedtime routines

Make sure your child gets enough rest for a good day!

Read stories

Read stories about the first day of school and the emotions your child is feeling

Show your excitement!

Remind your child how exciting and fun this time is and make the back to school season one of celebration!
