RAVINIA ELEMENTARY SCHOOL

JANUARY 15, 2024

**PLEASE POST AND DISTRIBUTE**

Please be advised that asbestos removal work will be performed at Ravinia Elementary School on the following dates:

January 30, 2024 to February 7, 2024

Asbestos Abatement work will be conducted using Illinois Department of Public Health licensed contractors and air monitoring personnel. The area will be sealed, placed under negative air pressure and the air monitored before, during and after the project. Access by staff and students to the abatement area will not be allowed until the asbestos containing material has been removed and the air within the abatement area has been tested and found to be safe.

The work will be performed by EHC Industries and overseen by Intertek PSI. Should you have any questions contact the Director of Buildings and Grounds, Charlie Privett at (224) 765-3454.
