

Graves County School Board Sections Written Descriptions

Approved 1/18/2024

1. School Board Section 1 will consist of the South Precinct

a. South Precinct written description

- i. Starting where Census Blocks GeoID: 210830204003064, 210830204003065 intersect along the County Boundary (88.6549328W, 36.5022626N). The boundary proceeds North along the eastern edge of Census Blocks GeoID: 210830204003065, 210830204003063, 210830204003062, 210830204003059, 210830205002014, 210830205002015, 210830205002011, 210830204003023, 210830204003022, 210830204003012, 210830204003011, 210830204001033 until it intersects Little Cypress Creek and the most northwestern most point of Census Blocks GeoID: 210830204001066. Then proceeds East along the northern edge of Census Blocks GeoID: 210830204001066, 210830204001067 until it reaches KY-303. Then proceeds South along KY-303 until it reaches the most northwestern point of Census Block GEOID: 210830204003003. Then proceeds East along the northern edge of the following Census Blocks: 210830204003003, 210830204003004, 210830204003005, 210830204001063, 210830204001057, 210830204001059, 210830204001060, 210830204002032, 210830204002015 until it reaches the intersection of KY-97 and the southwest most point of Census Blocks GeoID: 210830204002113. Then proceeds East along the southern edge of Census Blocks GeoID: 210830204002113 until it reaches Census Blocks GeoID: 210830204002117. Then proceeds North along the western edge of the following Census Blocks GeoID: 210830204002117, 210830204002003, 210830204002000, 210830209002132, 210830209002114 until it reaches the southeastern most point of Census Blocks GeoID: 210830209002115. Then proceeds West around the southern edge of Census Blocks GeoID: 210830209002115 until it reaches Dove Road. Then proceeds West along Dove Road until it reaches Nanny Road. Then proceeds North along Nanny Road until it reaches the most southern point of Census Blocks GeoID: 210830209002117. Then proceeds West along the southern edge of Census Blocks GeoID: 210830209002117, 210830209002056, 210830209002121, 210830209002122, 210830209002129, 210830204001000 until it reaches KY-97. Then proceeds West along KY-97 until it reaches the intersection of KY-97, Hay Market Corner Road. Then proceeds North around Hay Market Corner Road until it reaches the end of Hay market Corner Road. Then proceeds Southwest at a bearing of 236 degrees for 1,726 feet until it reaches the end of Prairie Street. Then proceeds West along Prairie Street until it reaches Coplen Road. Then continues West along Coplen until it reaches Central Road. Then proceeds South along Central Road until it reaches Slaughter Road West. Then proceeds West along Slaughter Road West until it reaches the intersection of Slaughter Road West, Old Dukedom Road and the eastern most point of Census Block GEOID: 210830202003037. Then proceeds West along the northern edge of the following Census Blocks GEOID: 210830202003037, 210830202003042, 210830205001036, 210830205001035, 210830205001034, 210830205001042, 210830205001043, 210830205001045, 210830205001025, 210830205001024, 210830205001023, 210830205001016, 210830205001078, 210830205001081 until it reaches the intersection of Tater Road and McNutt Road. The proceeds North around McNutt Road until it reaches KY-58 West. Then proceeds

Southwest along KY-58 West until it reaches KY-339 South. Then proceeds North along KY-339 South until it reaches Baltimore Church Road. Then proceeds Northwest along Baltimore Church Road until it reaches the County Boundary. Then proceeds South around the County Boundary until it Finishes at the Start where Census Blocks GeoID: 210830204003064, 210830204003065 intersect along the County Boundary (88.6549328W, 36.5022626N).

2. School Board Section 2 will consist of Southeast, Central East, and Kess Creek Precincts
 - a. Southeast Precinct written description
 - i. Starting where Census Blocks GeoID: 210830204003064, 210830204003065 intersect along the County Boundary (88.6549328W, 36.5022626N). The boundary proceeds North along the eastern edge of Census Blocks GeoID: 210830204003065, 210830204003063, 210830204003062, 210830204003059, 210830205002014, 210830205002015, 210830205002011, 210830204003023, 210830204003022, 210830204003012, 210830204003011, 210830204001033 until it intersects Little Cypress Creek and the most northwestern most point of Census Blocks GeoID: 210830204001066. Then proceeds East along the northern edge of Census Blocks GeoID: 210830204001066, 210830204001067 until it reaches KY-303. Then proceeds South along KY-303 until it reaches the most northwestern point of Census Block GEOID: 210830204003003. Then proceeds East along the northern edge of the following Census Blocks: 210830204003003, 210830204003004, 210830204003005, 210830204001063, 210830204001057, 210830204001059, 210830204001060, 210830204002032, 210830204002015 until it reaches the intersection of KY-97 and the southwest most point of Census Blocks GeoID: 210830204002113. Then proceeds East along the southern edge of Census Blocks GeoID: 210830204002113 until it reaches Census Blocks GeoID: 210830204002117. Then proceeds North along the western edge of the following Census Blocks GeoID: 210830204002117, 210830204002003, 210830204002000, 210830209002132, 210830209002114 until it reaches the southeastern most point of Census Blocks GeoID: 210830209002115. Then proceeds West around the southern edge of Census Blocks GeoID: 210830209002115 until it reaches Dove Road. Then proceeds West along Dove Road until it reaches Nanny Road. Then proceeds North along Nanny Road until it reaches the most southern point of Census Blocks GeoID: 210830209002117. Then proceeds West along the southern edge of Census Blocks GeoID: 210830209002117, 210830209002056, 210830209002121, 210830209002122, 210830209002129, 210830204001000 until it reaches KY-97. Then proceeds West along KY-97 until it reaches the intersection of KY-97, Hay Market Corner Road. Then proceeds North around Hay Market Corner Road until it reaches the end of Hay market Corner Road. Then proceeds Southwest at a bearing of 236 degrees for 1,726 feet until it reaches Prairie Street. Then proceeds West along Prairie Street until it reaches Coplen Road. Then continues West along Coplen until it reaches Central Road. Then proceeds North along Central Road until it reaches West Tucker Road. Then proceeds East along West Tucker Road until it reaches KY-303. Then proceeds North along KY-303 until it reaches the most northwestern point of Census Blocks GeoID: 210830203013003. Then proceeds West along the northern edge of Census Blocks GeoID: 210830203013003 until it reaches Kess Creek. Then proceeds Northeast along Kess Creek until it reaches KY-80 East. Then proceeds Southeast along KY-80 East until it reaches S Castleman Bypass. Then proceeds North along S Castleman Bypass until it intersect the northern

boundary of Magisterial District # 1. Then proceeds East along the northern edge of Magisterial District # 1 until it reaches the County Boundary at the intersection of Samuel Road, KY-1124 and the County Boundary. Then proceeds South around the County Boundary until it Finishes at the Start where Census Blocks GeolD: 210830204003064, 210830204003065 intersect along the County Boundary (88.6549328W, 36.5022626N).

b. Central East Precinct written description

- i. Starting at where the most northwesterly point of Census Block GeolD: 210830203022035 meets Castleman Bypass. The boundary proceeds North until it reaches East Housman Street. Then proceeds West along East Housman Street until it reaches the most northeasterly point of Census Block GEOID: 210830201001012. Then proceeds West along the northern edge of the following Census Blocks GEOID: 210830201001012, 210830201002026 until it reaches the Paducah and Louisville Rail Line. Then proceeds North along the Paducah and Louisville Rail Line until it reaches Oak Grove Creek. Then proceeds South along Oak Grove Creek until it reaches until it reaches the most western point of Census Block GeolD: 210830201002019. Then travels Northwest along the northern boundary of Census Block GeolD: 210830201002019 until it reaches the most Southeasterly point of Census Block GeolD: 210830201002010. Then continues North along the eastern edge of the following Census Blocks GEOID: 210830201002010, 210830201004089, 210830201004039 until it intersects Old Jimtown Road. Then continues East along Old Jimtown Road until it reaches Census Block GEOID: 210830201004034 at (88.6208214W, 36.7222253N). Then proceeds North along the western edge of the following Census Blocks with GEOID: 210830201004034, 210830201004033, 210830201004029 until it reaches Young Blood Drive. Then proceeds East along Youngblood Drive for until it reaches KY-45. Then proceeds South along KY-45 until it reaches I-69. Then proceeds East along I-69 until it intersects Mayfield Creek. Then proceeds Southeast along Mayfield Creek until it intersects KY-58 East. The proceeds Northeast along KY-58 East until it reaches the most northwesterly point of Census Block GEOID: 210830209001047. The proceeds South along the western Edge of Census Block GEOID: 210830209001047 until it reaches Census Block GEOID: 210830209001061. Then continues South along the western edge of Census Block GEOID: 210830209001061 until it reaches KY-1710. Then proceeds East along KY-1710 until it reaches Williams Lane. Then continues East along Williams Lane until it reaches the most southeasterly point of Census Block GEOID: 210830209001051. Then proceeds North along the eastern edge of Census Block GEOID: 210830209001051 until it reaches Byrd Road. Then proceeds East along Byrd Road until it reaches Bill Road. Then proceeds south along Bill until it reaches Golo Road. Then proceed East along Golo Road until it reaches KY-564. Then proceeds Northeast along KY-564 until it reaches the intersection of the County Boundary and Mount Olive Church Road. Then proceeds South along the County Boundary until it reaches the intersection of KY-1124, Samual Drive and the County Boundary. Then proceeds West along KY-1124 for 8,326 feet at a bearing of 272 degrees until it reaches KY-564. Then proceeds North along KY-564 for 2,774 feet at a bearing of 3 degrees until it reaches Usher Road. Then proceeds West along Usher Road for 8,169 feet at a bearing of 263 degrees until it reaches Vulton Creek. Then proceeds Northwest along Vulton Creek for approximately 9,874 feet at a bearing of 304 degrees until it reaches Deward Road. Then proceeds North along Deward Road for 1,979 feet at a bearing of 2 degrees until it reaches Census

Block GEOID: 210830209001079. Then proceeds West along the southern edge of the following Census Blocks of GEOID: 210830209001079, 210830209001078, 210830209001087, 210830209001086, 210830209001074, 210830209001073, 210830209001070, 210830203022000, 210830203022001 until it Finishes at the Start where the most northwesterly point of Census Block GeolD: 210830203022035 meets Castleman Bypass at (88.6208214W, 36.7222253N).

c. Kess Creek Precinct written description

- i. Starting where Charles Drive intersects South Castleman Bypass at (88.6208688W, 36.7198204N). Then proceeds West along Charles Drive until it reaches Cuba Road. Then proceeds North along Cuba Road until it reaches the most Northeasterly point of Census Block GeolD: 210830203012019. Then proceeds West around the northern border of Census Block GeolD: 210830203012019 until it intersects Census Block GeolD: 210830203012038 at (88.6364648W, 36.7179004N). Then proceeds West along the northern edge of Census Block GeolD: 210830203012038 until it intersects Census Block GeolD: 210830203013011 at its most Northeasterly point. Then continues West along the northern edge of Census Block GeolD: 210830203013011 until it reaches Census Block GeolD: 210830202002045. Then proceeds directly west along the northern edge of Census Block GeolD: 210830202002045 until it reaches Census Block GeolD: 210830202002040. Then continues West along the northern edge of Census Block GeolD: 210830202002040 until it reaches Macedonia Street. The proceeds West along Macedonia Street until it reaches the easterly point of Census Block GEOID: 210830202001032. Then proceeds West along the northern edge of Census Block GEOID: 210830202001032 until it reaches the most northerly point of Census Block GEOID: 210830202003029. Then proceeds South along the eastern edge of the following Census Blocks GEOID: 210830202003029, 210830202003030 until it reaches Ingersoll Rand Road. Then proceeds South along Ingersoll Rand Road until it reaches Dodson Road. Then proceeds East along Dodson Road until it reaches Old Dukedom Road. Then proceeds North around Old Dukedom Road until it reaches Central Road. Then proceeds South along Central Road until it reaches West Tucker Road. The proceeds East along West Tucker Road until it reaches KY-303. Then proceeds North along KY-303 until it reaches the most southwesterly point of following Census Blocks GEOID: 210830203013008. The proceeds East along the southern edge of Census Blocks GEOID: 210830203013008 until it reaches the southern most point of Census Block GEOID: 210830203012027. Then proceeds North along the eastern edge of Census Block GEOID: 210830203012027 until it reaches KY-80 East. Then proceeds East along KY-80 East until it reaches South Castleman Bypass. Then proceeds North along South Castleman Bypass until it Finishes at the Start where Charles Drive intersects South Castleman Bypass at (88.6208688W, 36.7198204N).

3. School Board Section 3 will consist of Southwest, Central West, and Central Precincts

a. Southwest Precinct written description

- i. Starting where Slaughter Road West meets Central Road at (88.6512180W, 36.6636251N). The boundary proceeds North along Central Road until it reaches Old Dukedom Road. Then proceeds West along Old Dukedom Road until it reaches Dodson Road. Then proceeds West along Dodson Road until it reaches Ingersoll Rand Road. Then continues North along Ingersoll Rand Road until it

reaches the most southern point of Census Block GeoID: 210830202003030. Then continues North along the eastern edge of Census Block GeoID: 210830202003030 until it intersects Census Block GEOID: 210830202003029. Then continues North along the eastern edge of the following Census Blocks GEOID: 210830202003029, 210830202003028 until it reaches the intersection of Magisterial District # 2 and northern most point of Census Block GEOID: 210830202003028. Then proceeds West along the southern edge of Magisterial District # 2 until it reaches the County Boundary at the intersection of Roscoe Road and KY-1748. Then proceeds South along the County Boundary until it reaches the intersection of the County Boundary and Baltimore Church Road. Then proceeds East along Baltimore Church Road until it reaches KY-339 South. Then proceeds South along KY-339 South until it reaches KY-58 West. Then proceeds Northeast along KY-58 West until it reaches McNutt Road. Then proceeds South along McNutt Road until it reaches the intersection of Tater Road, McNutt Road. And the northwestern most point of Census Block GEOID: 210830205001081. Then proceeds East along the northern edge of the following Census Block GEOID: 210830205001081, 210830205001078, 210830205001016, 210830205001023, 210830205001024, 210830205001025, 210830205001045, 210830205001043, 210830205001042, 210830205001034, 210830205001035, 210830205001036, 210830202003042, 210830202003037 until it reaches the intersection of Slaughter Road West, Old Dukedom Road and the eastern most point of Census Block GEOID: 210830202003037. Then continues East along Slaughter Road West until it Finishes at the Start where Slaughter Road West meets Central Road at (88.6512180W, 36.6636251N).

b. Central West Precinct written description

- i. Starting where Fulton Road intersects the City Boundary at (88.6638670W, 36.7231464N). The boundary then proceeds Northwest following the City Boundary until it intersects KY-80 West. Then proceeds West along KY-80 West until it reaches Rule Shack Road. Then proceeds West along Rule Shack Road until it reaches Barnes Creek. The follows Barnes Creek West until it reaches the most southeasterly point of Census Block GEOID: 210830206001026. Then proceeds North along the eastern edge of Census Block GEOID: 210830206001026 until it reaches Carrico Road. Then Proceeds West along Carrico Road until it reaches the County Boundary. Then proceeds South along the County Boundary until it reaches KY-1748. Then proceeds East around the southern edge of Census Block GEOID: 210830206001034 until it reaches McClane Creek. Then proceeds East along McClane Creek until it reaches Rozzell Church Road. Then proceeds South along Rozzell Church Road until it reaches the most northwestern point of Census Block GEOID: 210830206002008. The proceeds East along the northern edge of the following Census Blocks GEOID: 210830206002008, 210830206002009 until it reaches Cardinal Road. Then proceeds East along Cardinal Road until it reaches the intersection of Mohler Lane, Cardinal Road and Census Blocks GEOID: 210830202003028 . Then proceeds Northeast around Census Blocks GEOID: 210830202003028 until it reaches Census Blocks GEOID: 210830202001032. Then proceeds Northeast along the northern edge of Census Blocks GEOID: 210830202001032 until it reaches Fulton Road. Then proceeds North along Fulton Road until it Finishes at the Start where Fulton Road intersects the City Boundary at (88.6638670W, 36.7231464N)

c. Central Precinct written description

- i. Starting where KY-80 West intersects the City Boundary of Mayfield at (88.6770201W, 36.7374864N) the boundary proceeds Northwest around the City Boundary until it reaches Old Jimtown Road. Then proceeds North along Old Jimtown Road until it reaches Census Block GEOID: 210830201004034. Then proceeds North along the western edge of the following Census blocks with GEOID: 210830201004034, 210830201004033, 210830201004029 until it reaches Young Blood Drive. Then proceeds East along Youngblood Drive until it reaches KY-45. Then proceeds North along KY-45 until it reaches the intersection of Cooley Creek and Census Block GEOID: 210830207002104. Then proceeds West along the northern edge of Census Block GEOID: 210830207002104 until it reaches Gilbert Creek. Then proceeds Southwest along Gilbert Creek until it reaches the most northeasterly point of Census Block GEOID: 210830207002107. Then proceeds West along the northern edge of the following Census Block GEOIDs: 210830207002107, 210830207004053, 210830207004052, 210830207004049, 210830207004050, 210830207004022. The boundary then continues South around the western edge of the following Census Block GEOIDs: 210830207004022, 210830207004037, 210830207004040, 210830207004046, 210830206001000, 210830206001027 until it reaches Rule Shack Road. Then proceeds North along Rule Shack Road until it reaches KY-80 West. The proceeds East along KY-80 West until it Finishes at the Start where KY-80 West intersects the City Boundary of Mayfield at (88.6770201W, 36.7374864N).

4. School Board Section 4 will consist of the Northeast Precinct

a. Northeast Precinct written description

- i. Starting where Mayfield Creek Intersects I-69 at (88.6313625W, 36.7693410N). The Boundary proceeds West along I-69 until it intersects US-45 North. Then proceeds North along US-45 North until reaches where US-45 North, Cooley Creek, and the westerly point of Census Block GEOID: 210830207002117 intersect. The boundary then proceeds East along the northern edge of the following Census Blocks GEOID: 210830207002117, 210830207002087, 210830207002086, 210830208003016, 210830208003017, 210830208003018, 210830208003019, 210830208003020, 210830208003032 until it reaches the southeasterly most point of Census Block GEOID: 210830208003021. Then proceeds North along the eastern edge of the following Census Blocks GEOID: 210830208003021, 210830208003010, 210830208003009, 210830208001069 until it reaches Hopewell Road. Then proceeds North along Hopewell Road until it reaches South Fork Camp Creek. Then proceeds North along South Fork Camp Creek until it reaches the County Boundary. Then proceeds East around the County Boundary until it reaches the intersection of Mount Olive Church Road and the County Boundary. Then proceeds East along the Northern Edge of Magisterial District 2 until it Finishes at the Start where Mayfield Creek Intersects I-69 at (88.6313625W, 36.7693410N).

5. School Board Section 5 will consist of the Northwest Precinct.

a. Northwest Precinct written description

- i. Starting where Barnes Creek intersects Rule Shake Road at (88.7640534W, 36.7672308N). The boundary proceeds West along Barnes Creek until it reaches the most southern point of Census Block GEOID: 210830206001026. Then proceed North along Census Block GEOID: 210830206001026 until it reaches

Carrico road. The proceeds West along Carrico Road until it reaches the County Boundary. Then proceeds North around the County Boundary until it reaches South Fork Camp Creek. Then proceeds South Fork Camp Creek until it reaches Hopewell Road. Then continues South along Hopewell Road until it reaches the most northwesterly point of Census Block GEOID: 210830208001069. Then proceeds South along the eastern edge of the following Census Blocks GEOID: 210830208001069, 210830208003009, 210830208003010, 210830208003021 until it reaches the southeasterly most point of Census Block GEOID: 210830208003021. Then proceeds West along the southern edge of the following Census blocks GEOID: 210830208003021, 210830208003010, 210830208003012, 210830207002084, 210830207002089, 210830207002091 until it reaches the intersection of Cooley Creek and Census Block GEOID: 210830207002104. Then proceeds West along the northern edge of Census Block GEOID: 210830207002104 until it reaches Gilbert Creek. Then proceeds Southwest along Gilbert Creek until it reaches the most northeasterly point of Census Block GEOID: 210830207002107. Then proceeds West along the northern edge of the following Census Block GEOIDs: 210830207002107, 210830207004053, 210830207004052, 210830207004049, 210830207004050, 210830207004022 until it reaches the most northwesterly point of Census Block GEOID: 210830207004022. Then continues South around the western edge of the following Census Block GEOIDs: 210830207004022, 210830207004037, 210830207004040, 210830207004046, 210830206001000, 210830206001027 until it reaches Rule Shack Road. Then proceeds Southwest along Rule Shack Road until it Finishes at the Start where Barnes Creek intersects Rule Shake Road at (88.7640534W, 36.7672308N).
