St. Francis de Sales: Bridging Spirituality in Digital Era

In the ever-evolving landscape of the digital era, the teachings of spiritual leaders from the past continue to resonate, offering timeless wisdom that transcends technological advancements. One such figure is St. Francis de Sales, whose spiritual insights prove remarkably relevant in our interconnected world of 2024.

St. Francis de Sales, a 16th-century Bishop, and Doctor of the Church, was renowned for his compassionate approach to spirituality. His teachings, rooted in love, humility, and devotion, find new resonance in a digital age characterized by constant connectivity and information overload.

One of St. Francis de Sales' central tenets was the pursuit of inner peace amidst external chaos. In today's digital era, where screens clamor for attention and notifications demand immediate responses, his emphasis on cultivating a serene heart takes on newfound significance. His teachings encourage us to find moments of quiet reflection, to detach from the digital noise, and to rediscover the beauty of solitude in a hyper-connected world.

St. Francis de Sales also championed the idea of spiritual direction, a concept that can be creatively adapted to the digital age. In 2024, where virtual communities thrive, the importance of spiritual guidance through online forums, webinars, or even meditation apps becomes evident. The saint's teachings encourage us to seek meaningful connections, fostering a sense of spiritual community in the digital spaces we inhabit.

Moreover, St. Francis de Sales valued inclusivity and believed in making spirituality accessible to all. In an era where information is at our fingertips, his teachings inspire us to use digital platforms responsibly and inclusively, reaching out to diverse audiences with messages of love, compassion, and understanding.

The saint's concept of “little virtues” aligns seamlessly with the digital ethos of 2024. In a world that often glorifies grand gestures, his emphasis on small, everyday acts of kindness and humility offers a blueprint for meaningful digital interactions. Whether through a heartfelt message, a supportive comment, or a virtual act of charity, individuals can embody the

spirit of St. Francis de Sales in their digital engagements.

Furthermore, St. Francis de Sales was a master communicator, emphasizing the power of gentle persuasion over forceful imposition. In the digital era, where opinions clash, and debates often turn contentious, his teachings encourage us to engage in online discourse with kindness, empathy, and respect for diverse perspectives.

As we navigate the complexities of the 2024 digital landscape, the spirituality of St. Francis de Sales serves as a guiding light. His timeless teachings invite us to infuse our digital interactions with love, understanding, and a commitment to inner peace, ensuring that our journey through the virtual realm aligns with the enduring values of compassion and spirituality.

THE CORNERSTONE PROJECT

A grateful update from Fr. Matt & Finance Council

We are pleased to share and celebrate a very positive report for The Cornerstone Project:

- We have raised \$12.5 Million or \$500,000 over our \$12 Million Goal.
- At year-end, over 600 parishioners have contributed to The Cornerstone Project.
- This includes over \$2.8 Million in recorded pledges which will need to be paid over the next five (5) years as we complete our remaining capital projects.
- The BEST news is that OLGC will NOT have to borrow from the Diocese to fund remaining project costs.

We did this together!

Thank you for your continued prayers and commitment to The Cornerstone Project.

Oblate Mission Appeal January 28

Oblates of St. Francis de Sales serve some of the poorest people in the world as parish priests, ministers, educators, and social workers to provide human and spiritual support for them. The funds raised help provide living supplies, establish food centers, and support work training centers, as well as vehicles to transport children to school and activities. Oblates oversee a hospital and seminary in Ivory Coast in North Africa. They help with the prevention of female students from going into prostitution due to poor living social backgrounds. Saint Francis de Sales Catholic school in Parakou just north of Benin opened three years ago needs financial help for children's programs and activities.

FEBRUARY OUTREACH PROJECT It's Power Pack Time!

Let's work together in community to address the needs of Fairfax County Public School children who need food support over the weekend. The Power Pack Program provides weekend meals to roughly 3,500 students at 43 Fairfax County schools each week during the school year. The weekend meal pack helps alleviate a child's hunger and allows them to come to school on Monday morning fed, focused, and ready to learn.

Please browse the SignUp Genius for donation needs.
