Director's Note

Welcome! My name is Caitlyn Thompson and I am the Director of Fairport Harding Theatre Department with my wonderful Assistant, Katie Johnston.

We have had loads of fun directing this play and giving the students opportunities to step out of their comfort zone and channel their inner weird, bad acting.

The play "Bad Auditions by Bad Actors" written by Ian McWethy, takes place in a small town called Hoxie where Carol Danes finally gets her big directing break! Unfortunately, her experience does not rule out the way she had hoped...

Sit back, relax, and get ready to laugh hysterically at the bad actors that come to give terribly bad auditions.

Thank you for coming and we look forward to seeing you again!

Senior Spotlight

BRENDEN HARLESS

Brenden plans to attend college after graduation to study computer science. During his High School career, Brenden has been involved in Track, Cross Country, and Band. This is Brenden's first year involved with Theatre. His favorite memory of Theatre includes goofing around and making memories with new friends during rehearsal.

KELSEY MURPHY

This is Kelsey's 6th year involved with the Theatre department. After graduation, she plans to attend Bowling Green University to study Integrated English Language Arts Education. Throughout Kelsey's time at Harding, she has also been very involved with Band. Kelsey's favorite memory from Theatre is the time during the play "The Odd Couple", when Kelsey was on crew and an actor had to throw a plate of spaghetti offstage.
