

MT. VERNON

Mainstream Briefs

WINTER 2024

Good News from Our Schools

Lilly Scholar Winner

Congratulations to Mt. Vernon High School senior, Mya Adams (on left), one of two Hancock County seniors to receive the coveted Lilly Endowment Scholarship. She will receive 4-year tuition at an Indiana college or university.

Congratulations, also, to finalist Misha Patel, also an MVHS senior.

Walk on Water

MV challenges 8th graders to walk on water. Impossible? To the contrary — students recently completed Walk on Water for the 18th year.

This entertaining event nurtures critical thinking, as students design a piloted device to traverse the pool. Walk on Water combines excitement and friendly competition for a hands-on learning experience.

Dr. Parker's Mainstream Thoughts:

Hopefully you are noticing that this edition of *Mainstream* is a bit shorter. We are proud of the great work being done in our schools and we want to maintain a connection with our taxpayers, which is why we add this mode of communication to your mailbox. Please let me know what you think by emailing me at jack.parker@mvcsc.k12.in.us or by visiting me at one of my many Traveling Talks.

Sparking Interest, Soaring Careers

Mt. Vernon High School's growing array of Career and Technical Education program offerings are sparking student interest and sending careers soaring. Take a look at students who are thriving in aviation and welding, two of many CTE options preparing students for successful careers.

Building Winners Teacher of the Year/Staff of the Year!

Congratulations to this year's peer-nominated building winners of Teacher of the Year (TOY) and Staff of the Year (SOY).

The Mt. Vernon Education Foundation (MVEF) will announce the district TOY and SOY awards at the Mt. Vernon Education Foundation's April 6 Black and Gold Gala.
