# What is Title I?

United States Federal Government's largest education program to support public schools.

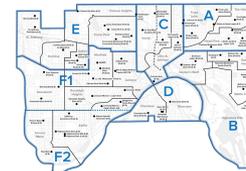

## The Purpose:

To help **every child** receive a high quality education and to achieve the high academic standards set by the State of Minnesota.

# How is Title I funded?

- Title I funds flow from the U.S. Department of Education to the Minnesota Department of Education (MDE). Then to the school district based on poverty data.
- The district allocates Title I funds to schools based on the percentage of students receiving free or reduced lunch.

# Eligible Schools in 2023-24

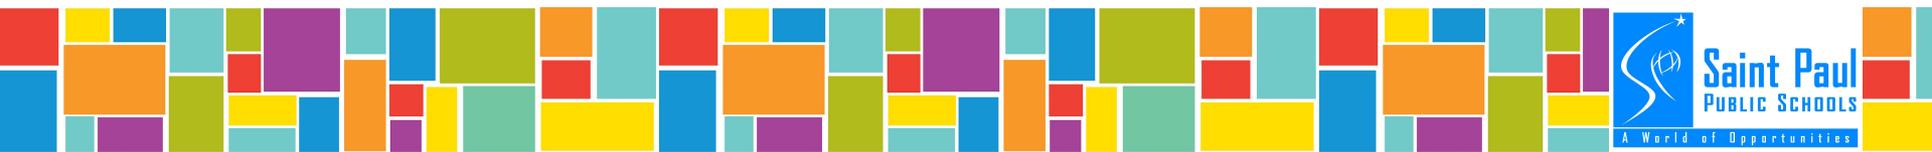

- 56 elementary, secondary and alternative schools in Saint Paul receive Title I funds.  
Schools with 40% or more of the students eligible to receive free or reduced priced lunch receive Title I funding. This percentage can change each year.

# Title I in the schools...

**Each school decides how Title I funds will be used in their school to improve education for all children.**

- Data is reviewed to determine the greatest need for improvement in the school.
- The school staff, with the input of parents, develops a school improvement plan with specific strategies to improve student achievement across the school.
- Teachers, administrators and parents work together to prioritize how Title I funds will be used to support the school's strategies to improve education for all students.

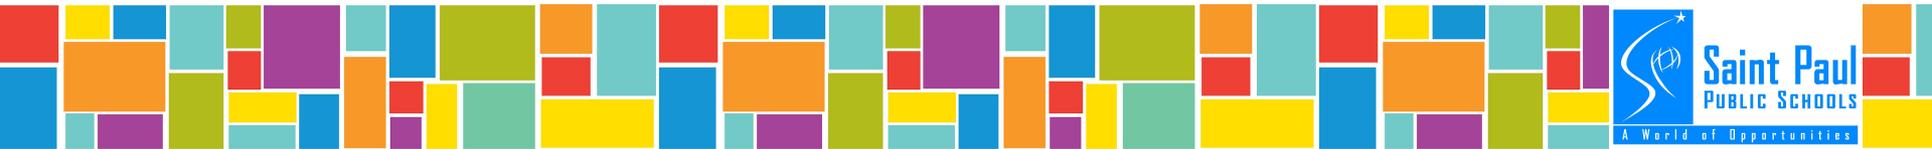

# Our School Continuous Improvement Plan

Our school continuous improvement strategies are:

- *School-wide Positive Behavioral Interventions & Supports (School climate)*
- *Explicit, systematic Core Math instruction*
- *Explicit, systematic foundational Reading skills*

*SCIPs are continuously monitored, reviewed and revised based on implementation and student data. The SCIP plan is guided by the School Leadership Team, coaches, and administration.*
