

CONSTRUCTION TRADES PATHWAY - CARPENTRY

Program Overview

This hands-on program includes both classroom and laboratory experiences. Specific skills include the formation, installation, and establishment of buildings, homes, and other structures. The attainment of these skills is put to the test as students work to construct a house! Our Students develop the skills and knowledge to become work-ready in a variety of construction trades. Through these experiences they'll have opportunities to meet our local partners and community supporters while becoming OSHA certified.

Pathway Courses (NLPS)

- Principles of Construction Trades - 7130
- Construction Trades: General Carpentry - 7123
- Construction Trades: Framing and Finishing - 7122
