

Dear Parent/Guardian,

Central Middle School offers a comprehensive, challenging curriculum for students in 6th through 8th grades.

Please make a mark under each category for the type of class you would like to request for next school year. You will use this tool as a guide when you select your courses in Campus during Advisor. Students are automatically registered for Health and Physical Education. Students currently enrolled in Spanish Social Studies may select Core Spanish Social Studies or Enriched Core Spanish Social Studies on their registration form.

If you would like information about any of the courses at CMS, gifted services or other student support services, refer to the [Curriculum Guide](#) on the CMS website. [Click here to access the Student Campus Portal](#) to register for classes for the 2024-25 school year through Academic Planner. **Online registration is open from February 1st through the 16th.**

We look forward to partnering with you in your student’s education!
