When a former employee returns to the District, that employee will be placed on the appropriate salary schedule range using evaluation of evidence of past experience to indicate placement on the salary schedule above Step 1.

ARTICLE XVIII: GRIEVANCE PROCEDURE

18.1 A grievance is defined to be any question or controversy between any bargaining unit member or the Association and the District involving the interpretation or application of the provisions of this Agreement.

A grievance may be filed by an individual employee, by the Association on behalf of an individual employee, or by the Association on its own behalf. As used in the grievance procedure, the word "days" shall be defined as meaning working days.

Step 1 - Informal

Within twenty (20) days after the occurrence of the cause for complaint, however, if the aggrieved did not become aware of the occurrence until a later date, then they must initiate action within twenty (20) days following actual knowledge of such occurrence.

Except in the case of a discharge, the affected employee and/or the Association representative shall discuss informally with the immediate supervisor/principal and/or superintendent any complaint arising out of the interpretation of the terms of this agreement before filing a formal complaint. The Association and the District may waive the timelines by mutual agreement if the parties are engaged in informal discussion.

The grievant shall state that this is a grievance and specify the relief or remedy sought at this time.

Each grievance will be processed in the following manner:

Step 2.

If the grievant is not satisfied with the disposition at the informal level, the grievant will reduce their grievance to writing stating reasons therefore and the relief requested and will present it to their supervisor. Within five (5) work days after submission of the written grievance to the supervisor, the supervisor will state their decision in writing and provide a copy to the grievant. For grievance procedure purposes, supervisors are as follows:

Employees

Cooks
Custodians
Maintenance/Grounds
Assistants
Secretaries

Supervisors

Building Principal or designee
Building Principal or designee

Step 3.

The Superintendent of Schools or their designated representative, will schedule a hearing at a time and place mutually acceptable to the parties within five (5) days of receipt of the grievance. Within five (5) work days following such hearing, the Superintendent of Schools, or their designated representative shall state the decision in writing furnishing the reasons therefore, attach it to the grievance form, and forward a complete copy to the grievant.

Any additional reasons for denial of the grievance will be made known to the grievant at least fifteen (15) days prior to arbitration.

Step 4.

If the aggrieved person is not satisfied with the disposition of their grievance at Step 3, or if no decision has been rendered within the time prescribed, the aggrieved may request that the Association submit the grievance to arbitration. The Association may submit the matter to arbitration within fifteen (15) days of the date of disposition at Step 3.

Within ten (10) work days after such written notice of submission to arbitration, the District and the Association will agree upon a mutually acceptable arbitrator, and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Employment Relations Board (ERB) by either party. The parties shall then be bound by the rules and procedures of the Employment Relations Board ERB in the selection of an arbitrator.

The arbitrator so elected shall confer with the representatives of the board and the Association, hold hearings promptly, and shall issue their decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date of final statements and proofs on the issues that are submitted to them. The arbitrator shall have initial authority to determine whether or not the dispute is arbitrable and once so determined, they shall proceed to determine the merits of the dispute. The arbitrator's decision shall be in writing and shall set forth their findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires commission of an act prohibited by law or which is a violation of the terms of this Agreement. The arbitrator shall have no authority to amend, modify, alter, add to, or subtract from this Agreement

unless the District and the Association agree to give them specific authorization to do so. They shall confine themselves to the precise issues submitted for arbitration. The arbitrator shall have no authority to limit or interfere with the powers, duties and responsibilities of the District under applicable law, and the rules and regulations thereof having the force and effect of law. They shall be bound by the principles of the law relating to contract interpretation followed by Oregon Courts. The decision of the arbitrator shall be submitted to the District and the Association and shall be final and binding on both parties.

The cost for the service of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and cost of the hearing room shall be borne equally by the District and the Association. Any other expenses incurred shall be paid by the party incurring same.

The names of any witnesses who will be used in arbitration must be made known to the other party seventy-two (72) hours prior to the first arbitration session.

Filing a grievance in writing constitutes an election of remedies and is a waiver of any and all rights by the appealing party to litigate or otherwise contest the appealed subject matter in any court or other forum.

- 18.2 All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 18.3 Grievance representatives' names shall be given to the District by the Association. Grievance representatives will be permitted reasonable time to investigate and process grievances. Association business, other than the investigation or processing of grievance shall be conducted by such representatives on District time, but shall not interfere with the work assignment of any other employees.
- 18.4 The president of the local chapter, or, in their absence, the vice president of the local chapter, shall have the rights accorded to grievance representatives.

The term "punitive measures" shall include, but not be limited to, demotions, reductions in pay, unwarranted changes in position, and dismissal.
- 18.6 No issue will be arbitrated unless it results from an action or occurrence which takes place on or after the date of execution of this Agreement.
- 18.7 Any award shall have no binding precedential value beyond the duration of this Agreement.

ARTICLE XIX: EMPLOYEE DISCIPLINE

19.1 No bargaining unit member may be discharged or demoted without due process. In the event of unsatisfactory service, the following procedure will be followed:

- A. The deficiencies noted in their performance.
- B. Suggestions on how the employee can improve.
- C. The specified number of days given to correct the deficiencies.

In such case the member may be suspended immediately until the misconduct is investigated and a decision made to retain, discharge, demote or otherwise discipline the member.

If the member is cleared of the alleged misconduct, the member will be immediately reinstated without loss of pay or other benefits. If discharge or demotion is ordered, the date of discharge or demotion may be the date of suspension or such other later date as may be specified by the District.

19.3 Whenever a member is required to appear before the Superintendent or District Board concerning any matter which would be a matter of record and could adversely affect the continuation of their employment or any wages or increments pertaining thereto, then they will be:

- A. Given prior notice in writing of the reasons for such meeting and
- B. By the notice, advised of right to have a representative of the Association or legal counsel present to advise and represent their interests during such meeting or interview.

19.4 If a department head or other supervisor has reason to discipline an employee the head or supervisor will make reasonable efforts to impose such discipline in a manner that will not embarrass or humiliate the employee before other employees or the public.

19.5 Remedy under this Article is as follows:

- A. Resort to the grievance procedure beginning at Step 3, Superintendent's hearing. Appeal from the Superintendent's decision shall be to the School Board for hearing pursuant to ORS 332.544 in lieu of binding arbitration as otherwise provided in the grievance procedure.
- B. Hearing before the Board at a mutually acceptable time and date shall be in executive session or in public, whichever the employee shall choose.
- C. Board procedures in hearing shall afford the employee the following minimum due process elements:

 - 3. Opportunity to fully respond to the charges, to call witnesses in their behalf.
