1	We need a superintendent that has an ability to talk to each person and totally understand his total staff. He could step in to help and show his respect for each employee even kitchen staff and peras. The individual should not show favoritism to his staff or school board. We need a strong individual with a great character. It would be great to see school system return to giving students and families free time for religious time wednesday evenings and on Sundays. We need to have families get stronger and happier with time spent together instead of running all weekend. Very sad to see kids tired on Monday mornings after all games, dances etc. Teachers have limited time to teach. The students need this education that we are paying for the education should be priority! Extra stuff is just for fun. Sad to see fifth graders still struggle with multiplication table. Priority on education.	1/7/2024 10:32 PM

5	Someone who leads with empathy.	12/18/2023 8:30 PM
6	Experience is important. We do not need to be a school that someone trains in on and leaves.	12/18/2023 3:03 PM
7	Something needs to change. For a public school, it's costed me and my family nearly \$70,000 in tax increases due to our "buy" everything model. I'm ashamed to be a part of this district. Tax's are 90% controlled by town residents, and your malicious spending is paid for by farmers.... Disgusting. We can't afford you anymore. You should be ashamed!!! ALL OF YOU!	12/17/2023 8:23 AM
8	Someone with a financial background to help maximize the budget would be great	12/17/2023 7:03 AM

10	I would like to see a superintendent that brings a varied background of experience to the job. Classroom, arts, sports, extra curricular.	12/15/2023 1:05 PM
11	Maintains the small class sizes as set by Mr. Ellingworth and is mindful of the size of our district during times of inclement weather.	12/15/2023 10:21 AM
12	I believe that the person should possess more than five of these qualities. They certainly all fit together and though they may be stronger in some areas, all are extremely important.	12/15/2023 10:09 AM
13	Please look for a leader who is interested and invested in advancing the progress we have made and need to continue to make with our multicultural students and families. Thanks!	12/15/2023 9:55 AM

(community member, students, staff, business, higher education, industry, government agencies) to provide a strong education that prepares our students for future success. To accomplish this communication, teamwork, teambuilding and collaboration are must haves.

15	I think it's important to have a superintendent who will continue the school in the positive direction it has been going. An optimistic attitude, knowledge of school systems, grants, and a commitment to steer the ship in the right direction is important. I feel the superintendent should have a motivation to continue to build on our schools strengths, appropriately advocate for improvements where needed, and help to make our school stand out and attract more students. A positive strong leader is important in success.	12/15/2023 8:33 AM

17	Lqpv has worked hard to maintain small classroom sizes. We need someone who is also on board to maintain this goal that is a big part of the community and district.	12/15/2023 8:22 AM
18	I hope the superintendent realizes the importance of small class sizes, especially in the Pre-K, K-2 range. I also hope they value educators and has a history of being an educator.	12/15/2023 8:20 AM
19	Please include staff throughout the process. We deserve more than simply filling out a survey. Ensure the super. is willing to listen to a variety of parties and take opinions from multiple sides. Works well with the union/supports the union in their endeavors. Supports all aspects of a well-rounded education (academics, arts, activities, etc.). Attends sporting, drama and music events regularly. Visible in all three buildings. Stays in their lane-sups are hired to run the district, not be in the classrooms. Willing to admit when they are wrong. Does not pressure people into feeling a certain way. Open, welcoming door.	12/15/2023 8:12 AM
