

November 27, 2018

Dear Parents:

This is a short note inviting you/your family and your son/daughter who was part of our team to the **2018 Cross Country Team Supper/Awards Night, Sunday-December 9th ; once again at Willmar Middle School.** Once again, we felt we had an amazing year for our XC program... and we would like to recognize the efforts of the kids/parents who have been a part of that. Our awards supper is always a little later but it just takes time to get the book and video done, plus we like to include NXN Heartland in that.

On the back side of this note are details concerning the supper...the where/when/what to bring things. Most importantly, we hope you can find time in your busy schedule to attend. We ended the season with 96 kids still involved in our program. Every student will get a personal team handbook and certificate. 2018 was another very good yr for our teams with the highlights being both boys and girls advancing to state along with Willmar almost getting a sweep at CLC, winning 5 of the 6 divisions. Every runner will get a CLC medal on Sunday for being part of that. In addition, we will hand out quite a few team awards and recognize the seniors who have been such a big part of our team. Finally, the seniors usually do a few special things and we will have a team video put together by Coach Rudie.

The supper/awards night is really a lot of fun!!! In case you can't attend, we would once again like to **thank you** for the support you have given your son/daughter in our program this fall. We feel/we know we have the greatest bunch of kids in the school. It should be a fun night...hope to see you there.

Sincerely,

Jerry Popp
Dave Rudie
