Parking Directions

Buses: All buses are to drive down the road on the north end of the park (without entering the park), turn around at the DNR boat access, then park facing east on the right side of the road. All unloading and loading will occur there too. This road is to be for buses only and they can only park on the south side of the road. [Map indicating the road](#)

Spectators: There will be no parking on Hwy 15 or on the road at the north end of the park boundary. All parking will be within the park, please follow all instructions of the parking attendants.
