

Bauman-Rovn Hopkins CC Invitational

Date: Thursday, September 5, 2019

Welcome to the 14th Annual Bauman/Rovn Hopkins XC Invitational. The course is part of the Three Rivers Park system and was designed specifically as a permanent cross country course. It is generally viewed by those who have competed here to be a demanding course with rolling terrain and several very tough hills. The meet name celebrates two Hopkins cross country coaches who have made deep impacts at Hopkins along with successful team championships within the conference, section, and state levels; Ed Bauman 1990-2006 and Jim Rovn 1978-2010. Please note the NEW times for the 2019 races, middle/JH races are now the last two races!
