Awards: The top 15 runners in boys’ and girls’ varsity races will receive their medals after the meet. The top 10 runners in girls and boys JV races will receive medals after the meet. There will also be a coaches medal they can give to a runner of their choice on their team. The three varsity teams will receive individual school pumpkins after the meet.

Team Rosters/Results: The race will be chip-timed by Pickle Events. Results will be available at: www.pickleevents.com You do not need to designate which race your athletes will be running. You will be invited to the meet on Athletic.net. Please enter your team roster by **7:00pm, Thursday, October 7th**.

If you have questions on how to enter your team or athletes into the meet please click this link: <https://www.athletic.net/Help/CrossCountry.aspx?Meet=200801> . When adding your athletes to the meet it has a section for each level (Varsity, JV, JH) but that is just a guide. The meet will be scored by whoever finishes each race, so you will not need to document any changes to who is running each race. Varsity and JV will run together because it gets darker this time of year and colder during our past meets. The first 7 finishers will be scored for the varsity race and the remainder will be scored for the JV race.

Packet Pick-up: Coaches can pick up their packets at the registration table near the club house. Please bring your own pins. Results will be posted on pickleevents.com.

Parking: Bus parking on the north end of the driving range. You may drop off teams on the south end by start and you will be guided to park on the north end. Limited spectator parking on the driving range and near the clubhouse. Parking allowed on both sides of County Road 74. Please no parking in lots of area businesses (i.e. Ralph’s, Karl’s).

Portable toilets will be available. Please stay out of the clubhouse.

NO DOGS ALLOWED ON THE GOLF COURSE!

An athletic trainer will be available to athletes in the finish area.
