

Cardinal Weights/Fitness Center

Willmar Cardinal Coaches are working on a major fundraising campaign to equip our new weights/fitness center. We anticipate the cost of new equipment, weights, bars and machines will be approximately \$60,000. In order to make this a reality we are looking to our supporters for their help.

We are asking you to make a one-time purchase of a "Dumbbell" to help fund our project. We have multiple donation levels to fit your situation. We will be recognizing each of our partners with a special "giving wall" which will have dumbbell's displayed with a name plate on it to recognize the donor. The size of the dumbbell will depend on the commitment level from each donor with an example shown below. Dumbbells will be approximately ¼" thick and cut from aluminum. These will be displayed in the hallway outside of the new facility to provide exposure and recognition to those supporters.

Donation options:

WT.	5 lb	10 lb	25 lb	50 lb	100 lb
AMOUNT	\$50	\$100	\$250	\$500	\$1,000

We thank you in advance for your support and look forward to providing a top notch facility for our student/athletes to use for many years to come.

Donor/Sponsor information.

_____ (business/individual name) agrees to purchase a _____lb

dumbbell to support the purchase of new equipment for the Willmar High School Weights/Fitness Center. Please make checks payable Willmar Public Schools.
