

616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and federal law.

II. GENERAL STATEMENT OF POLICY

Implementation of the Minnesota Academic Standards and federal law requires a new level of accountability for the school district. The school district will establish a system to review and improve instruction, curriculum, and assessment which will include input by students, parents or guardians, and local community members. The school district will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by the school district.
- B. "Graduation Standards" means the credit requirements and locally adopted content standards or Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. "World's best workforce" means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

- 1. The school board has established school district-wide goals which provide broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and federal law. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of the Advisory Committee.
- 2. The improvement goals should address recommendations identified through the Advisory Committee process. The school district's goal setting process will include consideration of individual site goals. School district goals will be developed through a locally determined process.

B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5. (*Willmar Public Schools - AR 616 Curriculum Review Cycle*)

C. Implementation of Graduation Requirements

- 1. The school board shall appoint an Advisory Committee, which shall advise the school board on implementation of the state and local graduation requirements, including K-12 curriculum, assessment, student learning opportunities, and other related issues. Recommendations of this

- committee shall be published annually to the community. The school board shall receive public input and comment and shall adopt or update this policy at least annually.
2. The school board shall annually review and determine if student achievement levels at each school site meet federal expectations. If the school board determines that student achievement levels at a school site do not meet federal expectations and the site has not made adequate yearly progress for two consecutive school years, the District shall work with the school site to adopt a plan to raise student achievement levels to meet federal expectations.
 3. The educational assessment system component utilized by the school board to measure individual students' educational progress must be based, to the extent annual tests are administered, on indicators of achievement growth that show an individual student's prior achievement. Indicators of achievement and prior achievement must be based on highly reliable state-wide and/or district-wide assessments. The school board will coordinate with MDE in evaluating school sites and developing continuous improvement plans that are consistent with best practices.
- D. Advisory Committee
1. Each year, the Advisory Committee will meet to advise and assist the school district in the implementation of the school district system accountability and comprehensive continuous improvement process.
 2. The Advisory Committee, working in cooperation with other committees of the school district, as appropriate [such as the Technology, Educational Effectiveness, Grade Level, Site Instruction, Curriculum and Assessment Committees, etc.], will provide active community participation in:
 - a. Reviewing the school district instructional and curriculum plan, with emphasis on implementing the Minnesota Graduation Standards;
 - b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c. Making recommendations regarding the evaluation process that will be used to measure school district progress toward its goals;
 - d. Advising the school board about development of the annual budget.
 - e. Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the school district improvement plan
 3. The Advisory Committee shall, when possible, be comprised of at least two-thirds community representatives and shall reflect the diversity of the community. To the extent possible, the Advisory Committee shall reflect the diversity of the school district and its school sites and include teachers, parents, support staff, students, and other community residents. Included in its membership should be:
 - a. The Director of Teaching and Learning (*or similar educational leader*)
 - b. Superintendent (*as schedule allows*)
 - c. One School Board Member
 - d. One Student Representative (*Middle School or Senior High School*)
 - e. One teacher from each instructional level.
 - f. Up to 8 community members.
 - g. One support staff member
 5. Translation services should be provided to the extent appropriate and practicable.
- E. Reporting will be consistent with Minn. Stat. § 120B.36, Subd. 1.
