

## **820 NAMING SCHOOLS AND FACILITIES**

---

### **I. PURPOSE**

The purpose of this policy is to establish parameters for naming schools or facilities within schools.

### **II. GENERAL STATEMENT OF POLICY**

The school board shall have the exclusive authority to name schools. The administration will establish a process to elicit potential school or facility names and submit recommendations to the school board.

#### **A. Schools will be named using the following guidelines**

1. Historical-named after a significant deceased historical leader or historical event
2. Geographical-named after a regional or local landmark or location.

#### **B. School Facilities will be named using the same guidelines used for schools (above).**

Additionally, school facilities may be named for a community leader, living or deceased, who has had a significant positive influence on education and/or who has made significant financial contributions to Independent School District 347.
