The Employer will not enter into any agreement with the employees in the bargaining unit, either individually or collectively, which in any way conflicts with the terms and condition of this Agreement. When there is a position other than regular full-time, the Employer shall notify the Union and present a proposal on wages and hours of position, prior to posting.

In the event that any provision, phrase, or clause of this Agreement shall be declared invalid by any court of competent jurisdiction, the decision shall not invalidate the entire Agreement, it being the expressed intention of all the parties that all other provisions remain in full force and effect.

ARTICLE II – SCHOOL DISTRICT RIGHTS

The School District retains the full unrestricted right to operate and manage all staff, facilities, and equipment: to establish functions and programs; to set and amend budgets; to determine the utilization of technology; to establish and modify organizational structure; to select, direct and determine the number of personnel; to establish work schedules, and to perform any inherent managerial function not specifically limited by this Agreement.

ARTICLE III – TERMS & CONDITIONS

Terms and Conditions of Employment shall mean the hours of employment and the compensation for these hours of employment, including fringe benefits, and the Employer's personnel policies affecting the working conditions of employees, but does not mean educational policies of the School District or retirement contributions or benefits.

ARTICLE IV - DUES

In recognition of the Union as the Exclusive Representative, the Employer shall deduct each pay period an amount sufficient to provide the payment of regular dues established by the Union from the wages of all employees authorizing in writing such deductions.

The Union shall provide the formula or schedule to calculate the actual dues deduction to the employer and will provide a spreadsheet that can be used to calculate the dues in an electronic format and transmit pertinent employee information necessary for the collection and administration of union dues. The employer shall remit such deductions to AFSCME Council 65, 3335 West St. Germain Street, Suite 107, St. Cloud MN 56301.

ARTICLE V - FAIR SHARE

In the event federal law changes, or the Janus Supreme Court decision is reversed, any present or future employee who is not a Union member and who does not make application for membership shall, as a condition of employment, pay to the Union each month a service charge as a contribution toward the administration of this Agreement, in an amount certified by the Union.

The Union agrees to indemnify and to hold the school district harmless against any and all claims that may arise regarding the application of this article.

ARTICLE VI – HOURS

Full Time Employee: To be considered a full-time employee, the employee shall be employed for a minimum of forty (40) hours per week and no less than 173 days during a fiscal year, exclusive of lunch.

Part Time Employee: An employee who is employed less than forty hours per week and/or less than 173 days during a fiscal year.

Normal Workweek. The normal workweek shall consist of forty (40) hours per week. The normal workday shall consist of eight (8) consecutive hours plus lunchtime, in accordance with established lunch schedules. This should not be misconstrued to mean that the District cannot hire part time or flexible hour staff. Upon mutual agreement between a building foreman and the Manager of Buildings & Grounds in conjunction with the Building Administrator, the normal work week and work day for each building may be changed during the summer and other breaks in the school year.

- Employees shall not be requested to take time off for overtime worked or to be worked.

Longer Work Year. Adjustments will be made if the work year is more than 260 days. If a fiscal year has more than 260 work days, and adjustment will be made by way of time off or additional compensation.

Schedules. Except for emergency situations, permanent work schedules shall not be changed unless the changes are mutually agreed upon by the Employer and the Union. Once a position is established it cannot have its start time modified by more than 30 minutes (earlier or later) without it being posted as a new position. Temporary schedule changes of approximately 90 days or less must be agreed upon between the impacted employee and the employer. Bulletin boards will be furnished and maintained in each work area. The Union shall limit its posting of notices and bulletins to such bulletin boards.

Breaks & Lunch Periods. All employees working 4 hours or more per day shall provide for fifteen (15) minute rest periods during each one-half shift. The rest periods shall be scheduled in conjunction with the employee and the supervisor or at the middle of each one-half shift whenever feasible. A six hour shift will consist of two fifteen minute paid breaks and a thirty minute unpaid lunch, for a total of six and one-half hours on site. All employees working 5 hours or more per day with single site schedules shall be provided an unpaid, duty free lunch period of thirty (30) minutes, around the middle of the day. Positions involving multiple sites may utilize a duty free lunch period of no

more than 60 minutes as determined by the Building Administrators in conjunction with the Director of Human Resources.

1. Custodians required to remain in their building during the noon lunch period shall be scheduled to work a straight eight (8) hour shift, including the lunch period during all school days. Non-school days, they will work an eight and one-half (8 1/2) hours a day, including a one-half (1/2) hour lunch period.

Pay Rates. Only active hours worked will count toward the calculation of overtime. The maximum pay rate for any combination of reasons stated below shall be double time (2x) rate with the exception of the following: call-backs or rentals on a Holiday. Pay shall be calculated at the double time rate on top of the regular Holiday pay (essentially creating triple compensation – 3x the hourly rate for time worked).

1. Overtime. All hours worked in excess of forty (40) hours per week, shall be compensated for at the rate of time and one-half. In the event the normal work day is changed during the summer months and other breaks in the school year due to a mutual agreement between a building foreman and the Manager of Buildings and Grounds in conjunction with the Building Administrator, employees shall only be compensated at the rate of time and one-half for all hours worked in excess of forty (40) hours per week.
 - a. All overtime must be authorized except for emergencies.
2. Sunday/Holidays. All time worked on Sunday or listed holidays shall be paid at the rate of double time. Sundays and holidays are defined as from 12:00 midnight till 12:00 midnight of that day.
3. Call Backs. Employees requested to return to work by a building or district administrator, security monitoring company, or a weekend building checker after completing their regular work shift and vacating the premises, excluding Sundays and holidays, shall be paid at the time and one-half rates of pay, with a minimum of two (2) hours. This is defined as a call-back. A call-back on a Sunday or a holiday shall be paid at double time (2x) rates, with a minimum of two (2) hours. If the call-back work assignment and the employee's regularly scheduled shift overlap, the employee shall be paid the call-back time rate of one and one-half until he/she completes two (2) hours work. The employee shall be paid for the balance of his/her regular work shift at the regular rate.
4. Rentals. A rental is a scheduled event using District spaces for events outside of the regular business of the District. Regular business of the District includes such things as school athletics, student activities, conferences, staff meetings and board meetings, etc. Normally, a rental event is scheduled through Community Education, but may be scheduled through building Principals or District leadership. When in question, the Director of Business and Finance will have the final determination on whether an event is considered a rental.
5. Pre-Scheduled District Events. Is a scheduled event using District spaces for events within the regular business of the District. Regular business of the District includes such things as school athletics, student activities, conferences, staff meetings and board meetings, etc. Pre-scheduled events will be paid at a regular time rate and count toward overtime.
6. Building Checks. A building check is a scheduled check on a weekend or holiday. These are pre-scheduled checks in advance of a holiday or a regular building check employee being absent. Employees will be paid a minimum of two (2) hours for a building check on a weekend or holiday. Building checks on a holiday will be paid at a double time rate. Building checks on a weekend will be paid at an employee's regular rate and count toward overtime.
7. Snow Removal. Employees leading snow removal at their building sites may have the discretion, in conjunction with the Manager of Buildings and Grounds, to determine their start times, and start times of their support staff, on a given day in order to accommodate the necessary snow removal. Snow removal outside of the normal work schedule will be paid at a time and a half rate and count toward overtime.

School Delays & Closings.

1. Subdivision 1. Late Starts. Day shift employees are to report to work 2 hours after their regular start time and will be paid their regular rate for the missed work time. Evening shift employees are to report to work at their regularly schedule time. Employees who are punched in at the time school is called to start late may clock out and return at the late start report time or may continue to work without the interruption of other staff and students at their regular rate of pay. Essential Employees (employees needed to remove snow in order to open the building) must report at their regular start time, or earlier if approved, and will be paid time and a half for their work up to the 2 hour late start time for their shift.
2. Subdivision 2. Early Outs. Employees are required to remain on duty to the end of their regularly schedule shift or until approved to leave by the Superintendent. Evening shift employees do not report to work but will be paid for the missed work time.

3. Subdivision 3. School Closure. If school is not in session on a given day at the discretion of the Superintendent or School Board, employees must not report to work. If the employee feels it is critical to report to work on this day, it must be requested and approved by the Manager of Buildings and Grounds, and the employee shall be paid at a double time rate of pay. If employees have reported to work and school is called off, the employee will receive the double time rate of pay starting at the time school was called off and after receiving approval to remain at work. The employee will still receive their regular pay for the length of their regular shift on a school closing day. Therefore, employees who are approved to work on a school closing day will receive triple pay for actual time worked.
4. Subdivision 4. E-Learning Days. Employees will have the option of working remotely on e-Learning Days and complete approved training or other professional development, or employees may report to work if it is safe for them to do so. Employees will be paid their regular rate of pay on e-Learning Days. If the employee chooses to report to the work site, they may use the uninterrupted time on site to complete work tasks they may not otherwise be able to do with staff and students in the building. Employees are responsible for their own internet access on e-Learning Days. Employees may supplement the remote work day with available paid leave time.
5. Subdivision 5. "Forgiven" Work Days. In the event contract days are "forgiven" for any school district employees by action and approval of the School Board, Custodial personnel will be treated in a similar manner and an extra day of vacation or personal leave will be added provided the employee works a full shift on the "forgiven" work day. Should an employee not work the full shift, the amount of time added to personal or vacation time will be same as the time worked up to a maximum of a full shift (8 hours for a full time employee).

Section 5. Employees on unpaid leaves may not participate in the matching program while on leave.

Section 6. Employees hired before July 1, 2022 will continue to be covered under the severance language of Article XV of this agreement. The School District shall subtract any amount paid to the 403b matching contribution plan

ARTICLE XVII - GENERAL PROVISIONS

1. Employees seeking their Boiler's License must attend a pre-approved class(es) for Boiler Licenses and shall submit costs to the School District for reimbursement at the completion of the course. The School District shall reimburse the cost for licenses and renewals. The School District will reimburse the cost of license testing fees for each level of the Boiler's License only if the employee has attended the pre-approved class(es). The Manager of Buildings and Grounds may approve an employee to take the test and be reimbursed by the district for the testing fee without taking the pre-approved class(es).
2. Any employee holding a position that requires boilers and/or pools per the position job description will be required to receive the special boiler's license and/or a pool operator's license within one year of taking the position. Failure to obtain the special boiler's license or pool operator's license shall result in a demotion. Effective July 1, 2022, all positions requiring a boilers and/or pool operator's license will have one year to obtain the special boiler's license and/or pool operator's license.
3. All necessary tools will be furnished by the Employer.
4. A Clothing Allotment will be allowed of up to \$600 per employee per year. Employees working less than a full year (260 days) will receive a pro-rated allotment amount. Each employee may utilize the District's custodial clothing catalog to select approved clothing. Clothing that is not available in the catalog (i.e. boots) may be purchased by the employee after receiving approval from the Manager of Buildings and Grounds. The employee must submit an itemized receipt for their purchase and will be reimbursed for the total cost of the approved purchase minus any taxes. The employee may also request a temporary district expense card (if available) to purchase pre-approved items outside of the catalog. This option avoids the employee having to use personal funds, seek reimbursement and be taxed. Any other option of payment methods may be considered with the Manager of Buildings and Grounds and Director of Business and Finance.
5. A Labor Management Committee consisting of Administration, Union representative and employees selected from the bargaining unit may meet every three months for the purpose of discussing, exploring and considering matters of concern to the parties. If necessary, either party may request that additional meetings be held. The Employer and the Union agree to sign a joint petition requesting the Bureau of mediation Services provide training in developing a formal Labor Management Committee. This committee shall form its own rules and by-laws.
6. Retroactive pay due to the timing of negotiated settlements will be issued to employees actively employed on the date the School Board approved the union ratified agreement and to employees who have retired from the School District during the affected agreement dates. Retroactive pay will not be paid to inactive employees.

Section II. Health and Hospitalization Insurance. The School District shall make available a high deductible health plan to all employees who elect to participate in said plan. With respect to qualifying bargaining unit members, the School District shall contribute an amount identified in Section III subdivision 4 of this article toward the monthly premium cost of single, subscriber plus one or family group health insurance coverage for the 2022-2024 school years. Employees

electing a single health plan that costs less than the District contribution shall have the balance of the monthly contribution placed in their VEBA account.

Section III. VEBA with Health Reimbursement Arrangement For Active Employees

Subdivision 1. The School District shall make available a VEBA Plan and Trust summary, which is available from the Human Resource Director, to all qualified bargaining unit members who exercise their option to enroll in the VEBA coordinated health insurance program offered in Section II of this Article. The School District and Custodial employees assent to and ratify the appointment of the trustee and plan administrator for the VEBA Plan and Trust identified in the VEBA Plan and Trust agreement. It is intended that this arrangement constitute a voluntary employees' beneficiary association under Section 501(c)(9) of the Internal Revenue Code. During any transition period in which the desired ordering rule is not available, reimbursements under the VEBA plan will be limited to reimbursement of eligible health expenses that reduce the deductible under the VEBA coordinated health insurance offered in Section II of this article.

Subdivision 2. The School District shall provide the following welfare benefit arrangement through the VEBA Plan: A health reimbursement arrangement for active employees described in summary is available from the Human Resource Director.

Subdivision 3. Payment of Administrative Fee. Administrative fees allocable to individual accounts of active employees who are active participants in the VEBA Plan shall be paid from the account. Administrative fees allocable to the individual accounts of former employees shall be paid from the account. Administrative fees allocable to the individual accounts of retirees shall be paid from the account. Administrative fees shall be paid from the account; if the VEBA Plan is terminated or the Employer Contributions cease (by agreement between the parties).

Subdivision 4. Contributions to the Active Employees' Plan: The School District will make an annual contribution to individual accounts under the health reimbursement arrangement in accordance with the following schedule:

During the 2022-2023 school year the district shall contribute an amount not to exceed \$7,630.00 towards a combination of annual health insurance premium and VEBA account. During the 2023-2024 school year the district shall contribute an amount not to exceed \$8,080.00 towards a combination of annual health insurance premium and VEBA account. \$1,850 will be deposited into their VEBA account first with the remaining amount going towards the cost of the health insurance premium.

The School District shall make contributions to individual health reimbursement accounts on a prorated basis consistent with the payroll cycles. The first contribution will start the month after the date of hire and will be prorated based upon the employee's Full Time Equivalency and the number of deposits remaining in the plan year. A deposit will be approximately 1/24th of the District's annual contribution for a full-time employee who is employed a full year. Deposits for a full year will begin with a mid-July deposit and end with a late June deposit.

The District will offer a High Deductible Health Plan (HDHP) that can function as a VEBA plan or Health Savings Account. An employee cannot receive or use money from both types of accounts in the same calendar year. Employee's indicating they intend to switch to the HDHP as a Health Savings Account will be contacted to confirm their transition from/to an H.S.A. VEBA account monies cannot be used in one calendar year if you are enrolled in an H.S.A. in the same calendar year.

All contributions on behalf of a VEBA Plan participant shall cease on the date the participant is no longer covered under the high deductible health plan in Section II above.

Section IV. Long-Term Disability

The School District shall offer long term disability insurance covering loss of time due to accident or illness at the employee's expense for custodial employees who work 30 hours a week or more.

Section VI. Life Insurance

This Agreement shall become effective on July 1, 2022, and shall remain in full force and effect through June 30, 2024, and will be subject to review annually, thereafter no less than ninety (90) days prior to this expiration on any anniversary.

If either party finds its interest adversely affected by any provisions of this Agreement, or finds through experience the necessity of adding further provisions, it shall serve notice of intent to negotiate an amendment, or to supplement the existing Agreement.
