When a full-time employee is laid off and is offered and accepts a part-time position, in compliance with this Agreement, said employee will be considered first for any full-time positions that become available.

Section 2. An employee will earn seniority credit beginning with his/her first day of employment in a

permanent position. In the case of ties in seniority, the last four digits of the employee's social security number will determine the order of seniority. The higher numbers will be deemed to have more seniority. Section 3. Individuals hired on a substitute basis or a limited appointment basis shall not accrue seniority.

An employee must have the qualifications for the position assumed under the above procedure and the competency to perform in the position. The decision on qualification and competence shall be made by the District and is grievable. An employee who assumes a different position as a result of the above procedure assumes the classification wage schedule and hours, which apply to that position.

Section 6. An employee who exercises bumping as stated above and starts work in another program shall be on a probationary period of forty (40) working days. During the probationary period, the School District shall have the right to transfer the employee to another program or position if the employee's performance is not satisfactory.

Section 7. As an alternative, the employee whose position is eliminated may accept layoff. An employee on layoff will be recalled to any open position for which the employee holds qualification and competence and is senior. Employees will be notified in writing of a position to which they are recalled. During the school year, an employee who is recalled shall have three (3) calendar days following receipt of the recall to accept an offered position; failure to respond in writing within this time limit shall be construed as a rejection of the offer. During the summer months, an employee who is recalled shall have seven (7) calendar days following receipt of the recall to accept an offered position; failure to respond in writing within this time limit shall be construed as a rejection of the offer. Employees must maintain a current mailing address with the School District office. An employee who rejects more than three (3) times a position equal to or greater in hours and rate to the position occupied by the employee at the time of layoff shall be removed from recall status.

Section 8. Layoff notices will be provided to employees determined to be without a position after the bumping process is completed. An employee who is being laid off shall be given a written notice of such at least two (2) weeks before the intended layoff.

Section 9. — Recall: To expedite the recall process the district may call an employee covered by this agreement on the recall list for an open position. The district will create a phone log of calls made to interpreters and paraprofessionals.

Subdivision 1. Full-time employees who have exercised their above stated rights and received fewer hours and/or wages as a result shall be entitled to a preference, even over people on layoff, for any subsequent full-time position opening for which the employee is qualified and has the requisite competence.

Subdivision 2. An employee may refuse to return to an open position not equal in hours and/or at a lower wage rate than the position previously held by the employee before being laid off without jeopardizing further recall rights.

Subdivision 3. The rights described in Section 7 and Section 9, *Subdivisions 1 & 2* shall be valid for a period of no longer than eighteen (18) months. The School District shall maintain the reinstatement list.

Subdivision 4. No new employees will be hired while qualified employees are on layoff unless the laid off employee has rejected the current open position.

Section 10. An employee who is reinstated as provided above shall have all the rights and benefits restored including sick leave accumulated at the time of layoff, seniority credit and salary credit.

Section 11. Employees on unpaid leave of absence or unrequested leave of absence will not accrue seniority.

Section 12. A position lasting more than 10 days in one position and less than 67 days shall be considered a long-term sub position. Employees covered by this agreement on layoff will be offered the long-term sub position in seniority order for which they are qualified for before offering the position to an outside applicant/substitute. Employees covered by this agreement accepting a long-term sub position shall be paid their hourly rate of pay (including longevity if applicable) while working in a long-term sub position. Employees covered by this agreement will have access to sick leave accumulated prior to their layoff. New sick leave will not accumulate during the long-term sub position.

ARTICLE X – VACANCIES

Section 1. Internal positions will be filled using the District Preference form. Employees covered by this agreement may submit their assignment preferences at any time using the online form located on the District Website under Staff Services. Their preferences will continue to be considered until the position they prefer has opened and they were considered for the role, or they clarify that they no longer want that preference. An open position will not be filled until employees covered by this agreement with preferences associated with that position have been contacted and considered for the position based upon qualifications. When the qualifications of two or more current employees are equal, the most senior employee shall have rights to the position. Upon the completion of this internal process, the open position will be posted to external candidates for 5 calendar days. Internal applicants may still apply for the position using the external process, but will be considered with the external candidates. Employees wishing to move up a classification must use the internal application process versus the District Preference form. Internal candidates shall have preference before outside applicants. Nothing in this section should be misconstrued to mean seniority is the only consideration in the selection process. Selection will happen giving due regard to seniority, ability, efficiency, and reliability of the individual. If an employee's seniority is bypassed, the employee may request reasons for said denial. The district will have five (5) working days to give reasons for said denial in writing, with a copy to the Union.

Section 2. During the summer months, notices of new positions or vacancies within the bargaining unit will be sent to the last address on file with the School District of employees who notify the Director of Human Resources of their desire to receive summer postings. Employees who are interested in transferring to another program within the unit may submit their application for new or vacant positions using the 'internal' application process located on the District Website under "Career Opportunities." The School District retains the right to fill vacancies on the basis of qualifications respecting seniority considerations pursuant to Article XII.

Section 3. The School District will notify the chapter president of the name of the person awarded the position and the hours per day.

Section 4. – Multiple Staff Assignment Changes: When vacancies and unit employees' applications occur resulting in multiple staff assignment changes, the School District may utilize the following procedure:

Subdivision 1. Vacancies will be posted pursuant to Section 1 above.

Subdivision 2. In most cases, employees will not assume their new position until all vacancies related to the change have been filled.

Section 5. – Transfers

Subdivision 1. Employees desiring a change in assignment may complete the District Preference form at any time and submit. Transfer requests/preferences submitted after June 1st do not have to be considered until after school starts the following year.

Subdivision 2. Employees completing a preference requests will be considered whenever any changes in assignment, vacancies, or job openings occur.

Subdivision 3. General preference requests submitted by April 1 will be considered for the current school year. General transfer requests received after April 1 will be considered, however the assignment transfer will take effect the following school year, and the current vacancy will be filled temporarily for the remainder of the current school year.

ARTICLE XI – RESIGNATIONS

All employees who wish to leave their positions should submit written resignations at least two (2) weeks in advance unless a lesser number of days is mutually agreed upon.

ARTICLE XII – SCHOOL CLOSINGS

If school does not open on a given day because of inclement weather, it is not necessary for the employee to report to work. If because of inclement weather school doesn't begin at its usual starting time, full and part time employees are expected to report to work at the designated late start time for each building. If school is dismissed early because of inclement weather, employees are expected to remain on duty unless excused by the district office through the building Principal or Supervisor. If the employee's normal work day ends before being excused by the district office through the building Principal or Supervisor the employee will not be required to stay. In the event contract days are "forgiven" for any school district employees, employees will be treated in a similar manner.

ARTICLE XIII – GROUP INSURANCES

Section 1. – Selection of Carrier. The selection of the insurance carrier and policy shall be made by the School District taking into consideration recommendations from the district's insurance committee.

During the 2017-2018 school year the School District shall contribute an amount not to exceed \$6446 towards a combination of annual health insurance premium and VEBA account. Up to \$740 shall be contributed to the employee's VEBA or H.S.A. account. Up to the remaining \$5706 shall go towards the premium (dependent on the insurance plan the employee chooses).

During the 2018-2019 school year the School District shall contribute an amount not to exceed \$6800 towards a combination of annual health insurance premium and VEBA account. After deducting the total amount of the employee's annual insurance premium (dependent on the insurance plan the employee chooses), any remaining district contribution shall be contributed to the employee's VEBA or H.S.A. account.

During the 2019-2020 school year the School District shall contribute an amount not to exceed \$7150 towards a combination of annual health insurance premium and VEBA account. After deducting the total amount of the employee's annual insurance premium (dependent on the insurance plan the employee chooses), any remaining district contribution shall be contributed to the employee's VEBA or H.S.A. account.

Subdivision 1. When both husband and wife are employed as full-time employees and desire family coverage (as opposed to single coverage for each), the full amount of both single premiums shall be applied to their family coverage premium.

Subdivision 2. Employees on a half-time basis or more are eligible for health and hospitalization insurance on a pro-rata basis. All employees employed less than 12 months but at least 9 months will receive the School District's contribution for the summer months.

Section 3. VEBA with Health Reimbursement Arrangement For Active Employees

Subdivision 1. The School District shall make available a VEBA Plan and Trust summary, which is available from the Human Resource Director, to all qualified bargaining unit members who exercise their option to enroll in the VEBA coordinated health insurance program offered in Section II of this Article. The School District and Bilingual/Cultural Liaison employees assent to and ratify the appointment of the trustee and plan administrator for the VEBA Plan and Trust identified in the VEBA Plan and Trust agreement. It is intended that this arrangement constitute a voluntary employees' beneficiary association under Section 501(c)(9) of the Internal Revenue Code. During any transition period in which the desired ordering rule is not available, reimbursements under the VEBA plan will be limited to reimbursement of eligible health expenses that reduce the deductible under the VEBA coordinated health insurance offered in Section II of this article.

Subdivision 2. The School District shall provide the following welfare benefit arrangement through the VEBA Plan: A health reimbursement arrangement for active employees described in summary is available from the Human Resource Director.

Subdivision 3. Payment of Administrative Fee. Administrative fees allocable to individual accounts of active employees who are active participants in the VEBA Plan shall be paid from the account. Administrative fees allocable to the individual accounts of former employees shall be paid from the account. Administrative fees allocable to the individual accounts of retirees shall be paid from the account. Administrative fees shall be paid from the account; if the VEBA Plan is terminated or the Employer Contributions cease (by agreement between the parties).

Subdivision 4. Contributions to the Active Employees' Plan: The School District will make an annual contribution to individual accounts under the health reimbursement arrangement in accordance with the following schedule:

The School District shall make contributions to individual health reimbursement accounts on a prorated basis consistent with payroll cycles. The first contribution will start the month after the date of hire and will be prorated based upon the employee's Full Time Equivalency and the number of months remaining in the plan year. A deposit will be approximately 1/18th of the District's annual contribution for a full-time employee who is employed a full year. Deposits for a full school year will begin with a mid-September deposit and end with a late May deposit.

Should an employee be placed in a different position from the one vacated, the employee shall complete at least a 40 day probationary period even if the accumulated days of probationary period would have been completed prior to the 40 days. The probationary period may be extended by mutual agreement between the School District and the employee for a period not to exceed 3 months.

ARTICLE XVII – GRIEVANCE PROCEDURE

The supervisor shall attempt to adjust the matter and respond to the Union Steward within three (3) days.

Section 3. If the dispute has not been settled, the Union may present the grievance, in writing, to the Director of Human Resources within seven (7) days after the immediate supervisor's or Principal's answer is due. The Director of Human Resources will respond to the Union Steward in writing within seven (7) days.

Section 4. If the grievance is still not resolved, the Union may appeal the grievance to the School Board or its designee within seven (7) days after the Human Resource Director's answer is due. Section 5. If the grievance is not resolved following an appeal to the School Board or its designee, the Union may petition the Bureau of Mediation Services to mediate the grievance within seven (7) days after the response is due by the School Board or its designee.

Section 6. If the grievance is not resolved within ten (10) days following the grievance mediation session, the Union may appeal the grievance to arbitration, subject to provisions of the PELRA. The School District and the Union shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance.

The arbitrator shall be without power to make decisions contrary to, inconsistent with, modifying, or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. Section 10. If, as a result of the written School District response the grievance remains unresolved, and if the grievance involves the suspension, demotion, or discharge of an employee who has completed the required

probationary period, the grievance may be appealed either to arbitration as set forth above, or a procedure such as veteran's preference or fair employment. If appealed to any procedure other than arbitration, the Union and the aggrieved employee shall indicate in writing which procedure is to be utilized, and shall sign a statement to the effect that the choice of any other hearing precludes the Union and the aggrieved employee from making a subsequent appeal through arbitration as set forth in this Article.

Section 11. Grievance committee member or stewards may process grievances and disputes during working hours when consistent with such employee's duties and responsibilities. The School District agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint or coercion by the School District or any School District representative against any employee because of said employee exercising his/her right under this Agreement, or for any employee activity in an official capacity on behalf of the Union.
