

Little Medical School STEM Classes Coming to the North Valley Christian Academy!

We are offering two new classes this February. Each class is limited to 12 students, so be sure to sign up quickly! We're excited to inspire your child to imagine a future in a profession that perhaps they didn't consider before this class!

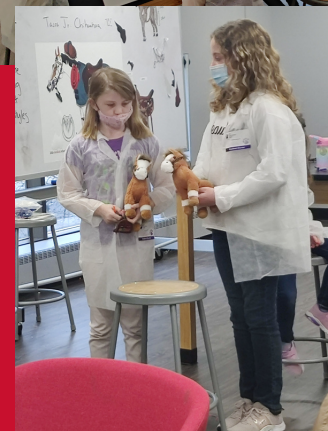

Little Veterinarian School (Feline) Grades 1-2

Students will role-play the key responsibilities of a veterinarian and perform a whiskers-to-tail exam on their newly "adopted" plush cat. These future veterinarians will learn about animal body language, maintaining a healthy environment such as proper litterbox placement, create a cat toy, and design a vet clinic. Mondays starting February 5th thru March 25th from 3:20pm - 4:20pm.

Little Veterinarian School (Equine) Grades 3-4

Now students can learn all about horses and their care from the newest Little Medical School Equine program. Students will adopt and name their plush horse and learn the anatomy and maintenance of a horse. They will also learn basic horse nutrition, riding styles, gaits and role-play and basic key responsibilities of an equine veterinarian. Thursdays starting February 8th thru March 28th from 3:20pm - 4:20pm.

\$199/student

6-week classes
