Parents as Teachers

As your child's first teacher, you play a critical role in supporting kindergarten readiness. You may be wondering what you can do at home to promote skills that will help your child to be successful in school.

READY, SET,
KINDERGARTEN

Newport-Mesa
Unified School District

For most children, kindergarten is the start of formal classroom education. Even for children who have been in a preschool or daycare, it is a big transition. You might be wondering — is my child ready? And, what can I do with my child at home to promote skills that will help my child be successful in school?
