

Stanislaus Military Academy at Teel

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Stanislaus Military Academy at Teel
Street	5255 1st Street

2023-24 School Description and Mission Statement

Stanislaus Military Academy's Vision and Mission Statements

Stanislaus Military Academy recognizes that each student is an individual, that all students are creative, and that all students have a right to succeed. We will focus on the development of academic, social, and character skills to optimize each student's potential. We are committed to providing a quality education that will prepare students for a college and career-ready environment.

School Profile

Stanislaus Military Academy provides an innovative high school education in a military-style environment that strives to provide a wide array of educational options for the students and families it serves. In the 2023-2024 school year, the Stanislaus Military Academy (SMA) and the Tactical Character Academy (TCA), middle school program, were merged onto one campus, the SMA campus. The school name also changed to Teel at Empire. For purposes of helping differentiate the two programs, SMA (High School) and TCA (Middle School) names were kept. Teel at Empire offers both Middle School and High School military-theme programs.

Teel at Empire or Stanislaus Military Academy (S.M.A.), offers daily school for high school-aged students. The program offers its students a variety of character-building programs, and its students participate in a number of community service projects. All "cadets" in the academy learn and strive to live by five core values: Commitment, Courage, Discipline, Honor, and Respect. They seek to apply these values to all aspects of their life—both in and outside of the school day.

Teel at Empire students who need or desire Independent Study have that opportunity to do so at many sites throughout Stanislaus County. Teel at Empire offers independent study program in different communities, Independent Study is offered at the Teel site, additionally sites are located in Patterson, Turlock as well as the Stanislaus Culinary Arts Institute in Oakdale. At the Oakdale site, students can choose traditional IS or a modified IS option. In the traditional IS option, students attend at least one hour per week but may come as often as needed. In a modified option students come in daily, if desired, and participate in a variety of hands-on activities offered by instructors at the site.

Class sizes at Stanislaus Military Academy are generally smaller, allowing for more teacher and student interaction. Both a

2023-24 School Description and Mission Statement

credentialed teacher as well as a Drill Instructor staffs each classroom, and it is not uncommon to have a resource specialist in the classroom providing support to special needs students as well. In addition to academic supports, S.M.A. students are provided additional resources to help them achieve success in a variety of ways. Students have virtually unlimited access to an academic counselor, school psychiatrist, drug and alcohol counselor, a career navigator and a student support advocate.

The site itself is a closed campus that has but one entrance and exit located at the front of the school. All other access points remain locked throughout the school day. Student safety and security is paramount as Stanislaus Military teachers and staff serve the S.M.A. students and their families.

In addition to these programs, we have developed the Character Training lectures for Stanislaus Military Academy. These lectures provide additional character training, counseling, and behavior management and control techniques as an aid to assist those students who struggle most in the classroom. We also assist families with parenting by offering classes and have multiple liaisons that facilitate the provision of other county and non-county sponsored support and services.

Student success is the focus of the staff at Stanislaus Military Academy. With the wide array of educational services that we provide, students and their families are likely to find a program designed to meet their unique needs. Our teachers and staff are always dedicated to serving our students and their families.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	2
Grade 7	9
Grade 8	17
Grade 9	7
Grade 10	16
Grade 11	29
Grade 12	32
Total Enrollment	112

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	31.3%
Male	67.9%
American Indian or Alaska Native	1.8%
Asian	0.9%
Black or African American	4.5%
Hispanic or Latino	75%
Native Hawaiian or Pacific Islander	0.9%
White	15.2%
English Learners	27.7%
Foster Youth	0.9%
Homeless	3.6%
Socioeconomically Disadvantaged	82.1%
Students with Disabilities	5.4%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	1.50	16.17	84.70	44.70	228366.10	83.12
Intern Credential Holders Properly Assigned	0.20	2.13	4.20	2.26	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	9.60	5.11	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	6.60	70.96	62.80	33.12	12115.80	4.41
Unknown	1.00	10.64	28.00	14.80	18854.30	6.86
Total Teaching Positions	9.40	100.00	189.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	1.90	24.16	89.60	50.47	234405.20	84.00
Intern Credential Holders Properly Assigned	1.00	12.52	12.00	6.76	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	2.70	1.54	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	5.00	63.33	54.50	30.69	11953.10	4.28
Unknown	0.00	0.00	18.70	10.54	15831.90	5.67
Total Teaching Positions	7.90	100.00	177.50	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	6.60	5.00
Total Out-of-Field Teachers	6.60	5.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	22	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

SMA is a Blended Learning Community (BLCs) that provides engaging, online curriculum to our students. It offers innovative learning solutions to our school, including the ability to introduce new courses, fix scheduling conflicts, and provide opportunities for students to make up credits. Direct instruction is provided in addition to the virtual course. Students receive regular instruction from their teacher and the drill instructors assist with classroom management.

Chrome books are ordered initially based on enrollment counts of students and extras are ordered throughout the life of the adoptions due to enrollment surges and/or Chrome book loss especially through our Independent Study program option.

Every student has access to a Chrome book and materials of their own.

School Facility Conditions and Planned Improvements

Stanislaus Military Academy at Teel has 10 classrooms. We have adequate space for teaching, and have facilities such as a gym and cafeteria. The perimeter is fenced to provide additional security for students. In the last facility inspection tool report, the site received an 91.55%, Good rating. The appearance and cleanliness of the school has been enhanced by students taking responsibility for their school environment.

		X	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	6		33		47	
Mathematics (grades 3-8 and 11)	4		24		33	

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 Career Technical Education Programs

The Stanislaus County Office of Education strives to provide a comprehensive career technical education (CTE) program in the secondary grades which integrates core academic instruction with technical and occupational instruction in order to increase student achievement, graduation rates, and readiness for postsecondary education and employment. The CTE program shall be designed to help students develop the academic, career, and technical skills needed to succeed in a knowledge- and skills-based economy.

The program includes a rigorous academic component and provides students with a strong experience and understanding of all aspects of an industry. The Stanislaus County Office of Education's CTE program focuses on preparing students to enter current or emerging high-skill, high-wage, and/or high-demand occupations. CTE opportunities may be offered through linked learning programs, partnership academies, apprenticeship programs or orientation to apprenticeships, regional occupational centers or programs, tech prep programs, charter schools, small learning communities, CalWORKs or other programs that expose students to career options while preparing them for future careers in a given industry or interest area.

State model curriculum standards for CTE for grades 7-12 integrate the state's academic content standards with industry-specific knowledge and skills in 58 career pathways organized into 15 industry sectors: agriculture and natural resources; arts, media, and entertainment; building trades and construction; education, child development, and family services; energy and utilities; engineering and design; fashion and interior design; finance and business; health science and medical technology; hospitality, tourism, and recreation; information technology; manufacturing and product development; marketing, sales, and service; public services; and transportation. The state's curriculum framework for CTE provides guidance in implementing the state content standards and provides guidance for implementing assessment standards.

Greenhouse Management
Construction Trades I and II
Welding I and II

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	77.38
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	--	--	--	--	--
Grade 7	--	--	--	--	--
Grade 9	60.9	65.2	65.2	69.6	69.6

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Stanislaus Military Academy recognizes that a vital aspect of increasing academic achievement and lowering instances of absenteeism and unwanted behavior is parent involvement with their children. When new students come into the school, we meet with the student and their parent to ascertain what type of assistance is needed. A team is then built between the parent, the student, and the school to assist and guide the child toward accomplishing these goals. Parents are invited to be part of the School Site Council, which is comprised of the principal, teachers, support staff, parents, community members, and students. The council sets goals and objectives for the school and the means by which those goals and objectives will be met.

Stanislaus Military Academy has an open-door policy and notifies parents of attendance issues, student academic progress, disciplinary actions taken, and any other concerns as needed. We know that students perform better knowing that their parent is actively participating in their education and therefore seek to involve the parent in every way possible. We encourage all parents to be active participants in their child's academic and social life.

Stanislaus Military Academy has a full-time Student Support Advocate from the district office that has an open-door policy for students and their parents as well. The Student Support Advocate assists the school in reaching out to the community and even with engaging reluctant parents. S.M.A. staffs a full time mental health counselor and a full time academic guidance counselor available for students and their family members. A Deputy is also assigned to the school site to assist students, parents, and staff by answering questions and connecting the school with other potential resources.

2023-24 School Safety Plan

Mission

The Stanislaus County Office of Education, through effective leadership, coordinated services, staff development, and partnerships among family, school and community, will support public education in preparing diverse students to become productive citizens and life-long learners.

This Comprehensive School Safety Plan was developed collaboratively with all SCOE schools and adopted by the Stanislaus County Board of Education on March 14, 2023

Operating Principles

- 1) Ethical behavior is key to our success: We will behave with integrity, honesty, humility and courage.
- 2) Customers are part of our team: Customers include families, school district personnel, community partners, and SCOE employees. We will maintain an environment in which to share ideas and work cooperatively. We will listen to our customers' needs as we collaboratively develop services and solutions.
- 3) Quality is essential: Quality is determined by the customer who uses the programs and services, and we consider everyone with whom we interact a customer. We will continually improve our programs and services by determining customer needs and responding to customer feedback and suggestions.
- 4) Decisions are made at the most appropriate organizational level: Management will determine the most appropriate level for the resolution of issues. Management's decisions will include input from employees who will be impacted by proposed changes as early in the decision-making process as possible.
- 5) Everyone plays an integral part in our organization: Everything an employee does affects our organization. We will hold ourselves accountable to accomplish what we have been hired to do. We will behave as ambassadors of SCOE and respect every person and role within the organization.
- 6) Challenges are addressed from a systems approach: When seeking to address and resolve challenges, we will focus on processes and systems using SCOE policies, protocols, and operating principles.

2023-24 School Safety Plan

- 7) We manage our work by facts: To inspire trust, to seek mutual benefit, and to act in the best interest of those we serve, we will rely on data. We will gather, analyze, and act on data about SCOE's services, products, and programs.
- 8) Employees are most effective when they have as much information as possible about their work and the organization: Managers will provide employees with sufficient background knowledge to fully understand their role and to accurately represent SCOE's broader mission in the community.
- 9) Employees are acknowledged for their contributions to the organization: We will all accept and give praise to acknowledge individual accomplishments as well as celebrate shared successes.
- 10) The organization recognizes that employees must effectively manage multiple responsibilities at work, at home and in the community: The organization realizes that to be effective at work, employees must maintain a healthy balance in their duties to home, work and community. We will respect others' efforts to effectively manage multiple responsibilities. Supervisors will support employees' requests for flexibility when feasible and appropriate.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
6	1	4		

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
6	4	4		

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	0	0	0	0
1	0	0	0	0
2	0	0	0	0
3	0	0	0	0
4	0	0	0	0
5	0	0	0	0
6	2	4	0	0
Other	0	0	0	0

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	4	35		
Mathematics	5	18		
Science	4	19		
Social Science	4	35		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	4	26		
Mathematics	4	19		
Science	4	15		
Social Science	4	24		

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	3	32	0	0
Mathematics	4	18	0	0
Science	3	17	0	0
Social Science	4	27	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	46,127.75	1,656.78	44,470.78	98,630.40
District	N/A	N/A	13,171.10	
Percent Difference - School Site and District	N/A	N/A	108.6	
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	148.3	

Fiscal Year 2022-23 Types of Services Funded

CTE
 Foster Youth
 Miri Center Counseling
 Exact Path
 Weekly Character Development
 Student Support Advocate
 Drill Instructor In Each Room
 Parent involvement activities
 Boot camp

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary

Percent of Budget for Administrative Salaries		

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Stanislaus Military Academy and Stanislaus Culinary Arts Institute will continue to disaggregate data provided by the state and District on standardized testing (e.g. CELDT, SBAC, CAASPP, MAP as well as additional classroom assessment reports that identify performance gaps and assist teachers in targeting and adjusting their instruction to those specific needs.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC) Data from formal and informal assessments are used to monitor, construct, and guide instruction.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA) All classroom and independent study teachers are fully credentialed. Stanislaus County Office of Education provides all credentialed teachers the opportunity to take VPSS courses at the district's expense to pursue Highly Qualified status in all subjects.

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are fully credentialed and attend professional development provided bi-weekly by highly qualified district personnel.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Stanislaus Military Academy will continue to implement professional staff development through bi-weekly district office meetings and on-site monthly meetings. The focus will be Common Core alignment, data driven lesson planning integrated with technology, and implementation of and use of the Chromebook and Florida Virtual Curriculum. Expert teachers and instructional coaches will share best practices in methodology, pedagogy, and implementation of technology.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC) In addition to bi-monthly professional development at the district level, lead teachers/coaches are available throughout Stanislaus

Professional Development

County Office of Education. Teachers are also encouraged to pursue additional professional development as needed.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers continually collaborate during the bi-monthly professional development meetings both departmentally and by grade level.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Stanislaus Military Academy will continue with monthly staff meetings ensuring a focused approach to review student assessments that support the academic goals. We will continue to assist our teachers in professional development by encouraging them to attend conferences that facilitate Common Core standards and best teaching practices in all subject matter areas including, but not limited to, a focus on integrating technology in the classroom and the diverse applications of Chomebooks and Google applications as instructional tools.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC) John B. Allard Schools will continue to meet and exceed the recommended instructional minutes for reading/language arts and mathematics.

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC) John B. Allard Schools master schedule provides for academic intervention as needed.

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Stanislaus Military Academy and Stanislaus Culinary Arts Institute will continue to purchase and use approved common core curriculum and supplemental materials.

11. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC) Teachers will continue to collaborate and discuss best practices in the use of County approved curriculum and content, as well as the best practices for integrating this technology with SBE adopted instructional intervention materials.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	19	19	18
